Dear mom,

Just a line to let you know I am fine. Haven't had time to write very much before. Have been pushing the Germans pretty hard. We've got them on the run now. You see the papers so you know more about it than I can tell you.

I rec'd your letter of May 3. Also rec'd one from Gordon the same date. There more than likely is more mail for me, but hasn't caught up yet. I haven't rec'd the last box, but couldn't carry it anyway. Well mom, how is everyone? Hope you are all well. Win says he and Pop are fine. Pop likes his new rooming place very well. He closer to his job. I may not be able to write very often, but will do my best. Take care of yourself and don't worry about me. I'm fine. Write soon.

Love Darwin

Dear Mr Boyd.

Dear Mrs Boyd,

No doubt you are surprised to hear from me again and am sorry that this time I have no news for you. However I was so pleased to have a reply from you I thought I would write again.

As you will see by my address I am in the A.T.S and so understand what it means to be away from home. I have been in the Service for over two years and shall be very glad

to get back to civilian life again. As for uniform I'm really tired of it and hope that it will be long before we can all be wearing nice clothes again (rationing permitting).

Your letter certainly made a long trip, just going to my home in Dawson, then coming here, & following me to Scotland where I was spending my leave. I have never been there before and certainly had a smashing time.

Well, Mrs Boyd, I do hope that by this time your son will have been liberated and on his way home. It's

really marvellous the way  
our armies are rushing on  
and I expect the European  
war will be over during  
the next few days.

My kind regards and  
best wishes to you.

Yours sincerely  
Mabel

Dear Mr<sup>r</sup> Boyd,

Many thanks for your very kind letter and I am so glad you received mine alright. Believe me, I am only too pleased to be able to pick up these messages and send them to the kin of the boys. I listen in every evening and I have received many such messages but I have only received two from American lads, your son's and one other, so far I have not heard from the other people, but these, my letter may not have reached them.

M. S. SMITH

I have two brothers in Service, there are just four of us, two boys two girls and Mum & Dad. My eldest brother is in the Merchant Navy and the youngest the Royal Air Force. I know how much we miss them and Mum worries when no news is received. Although you are, as you say not in danger of your home, you have given your men, husbands & sons and they are very precious indeed. Here in Glasgow we have met quite a few and I myself have spoken with many as they come into the Canteen in which I am a voluntary worker. I will certainly let you know if I hear any more news of your sons I am only too pleased to be able to do this

service. With conditons as they are in  
Germany, mail will be slow in getting  
through but it may be, that very  
soon he will be free again. I pray  
that this may come in the very near  
future and once more we will have  
peace, a lasting one. I would very much  
like to keep in touch with you and  
when you receive word from your son  
I wonder if you would let me know  
by mother and father and kindest  
regards and sincere wishes to you and  
a speedy reunion with your son  
Good night and God be with you  
Very Sincerely yours  
Margaret.

Dear Mrs. Boyd

I just now received your letter wanting to know about Darwin and will tell what little I can. It was him that I mentioned to May at that time but could not give any name. I heard from some of his buddies that he was captured at the time you mentioned. Darwin's whole platoon was there and those of them that were not captured were accounted for; and one of the boys told me for sure that Darwin was captured. This fellow had been back to get some cats at the time so that's how he missed being along. I did

not think of getting his name  
at the time but if I see him  
again I will get it. All the  
boys under Darwin thought  
the world of him as I have  
talked to many of his men. I  
sure hope they are all at the  
same place so it wont be so  
lonesome for them.

Mr. Boyd, maybe you have  
heard from the American Red  
Cross by this time to his whereabouts  
but if you havnt maybe they  
could find out for you if  
you ask them. I dont know  
whether they let prisoners of war  
write or not.

I sure hope everything  
turns out alright with him  
and that this war ends soon  
so we all can get back home.  
If you hear from Darwin will you  
please let me know. As ever  
Vic.

My Dear Mrs Boyd,

In reply to your inquiry concerning the whereabouts of your son Darwin I am able to give you the following information.

It is my opinion and also the opinion of other members of our unit that Darwin is a prisoner of war. Our organization was part of a small force holding a hill a short distance forward of our main lines. An enemy force far superior to our own at that particular point overran the position during a counter-attack and took our men prisoners. Darwin was a member of that small group and it is my whole hearted belief that he is now a prisoner in the German's hands.

As his mother I can understand how you must feel as a mother's love for her son is a God given instinct.

Information concerning men who are captured etc. comes through very slow. But it is my belief that you will be notified in the near future that Darwin is well and safe.

Through interviews with our own men who were captured at other times but were fortunate enough to escape and return to our lines we have learned that Americans taken prisoner receive a considerate and humane treatment.

at the German's hands. <sup>2</sup>

you have my heart felt sympathy  
as I considered Darwin as one of my closest  
friends and better soldiers. He was always  
man to help the others and we all  
miss him terribly.

Hoping you receive encouraging  
news soon from our War Dept. I remain.

NOTICE TO NEXT OF KIN OF AMERICAN PRISONERS  
OF WAR IN GERMANY

It is the desire of the War Department to invite your attention to the fact that due to present conditions in Germany, there is a possibility that next of kin parcels to Americans prisoners of war may not be delivered.

The frequent transfers of American prisoners of war within Germany by the German Government coupled with the fact that transportation facilities have largely been destroyed make it doubtful that the delivery of individually addressed packages to our prisoners can be accomplished. Such transportation as is available to the International Red Cross is used, first, for the delivery of unaddressed standard Red Cross food parcels to American prisoners of war.

While no assurance can be given, every effort will be exerted to effect delivery of individually addressed parcels.

I suppose you've heard by now that our camp was liberated. It took place April the 29th, Boy! there are now a happy bunchy bunch. Some have been captives for 6 yrs. If the movement goes on, as we expect we will be in the states in about a month (we hope).

It has been raining here nearly every day. we sleep in tents now. All in all it isn't bad. I met Mays Hillstrom in the f. o. w. camp. He's well; and we sure have fun shooting the bull.

Tell everyone hello for me. Write win for me. I rec'd a letter from her and one from Gordon. The rest are held up somewhat. Goodbye for now; and if things turn out O.K. may see you very soon.
