RAIN RHYTHMS

Fall 2010 - Fall 2011

Congratulations Graduates!

FALL 2010

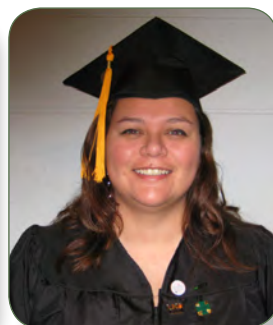

Welcome Dean Korniewicz!

Dean Denise Korniewicz began her new duties as Dean of the College of Nursing (CON) on August 1, 2011. Dean Korniewicz comes to UND from the University of Miami School of Nursing & Health Sciences M. Christine Schwartz Center for Nursing Education, where she served as Senior Associate Dean for Research. Dean K. earned her nursing degrees at Madonna University (bachelors), Texas Woman's University (masters) and the Catholic University of America (Ph. D.). Dr. Korniewicz did postdoctoral work in infection diseases at the Johns Hopkins University School of Nursing. We are very excited to welcome Dean K. to North Dakota and to our RAIN Family!

Coordinator's Corner

We are back in paper form. You are able once again to read about RAIN from your favorite reading locations. As a program we have been through a lot just like most families. We have had graduations, admissions, inductions, weddings, health scares, and a loss. We have welcomed a new Dean, faculty, staff, and students. We are seeing a good number of our alum returning to school for advanced degrees -- our future leaders. It is so wonderful to travel out in Indian country and see our graduates providing care to our people -- loving their profession and making a difference. We hope to see you on our recruitment. All of this could not be done without the continued support from our funding agencies -- we are so grateful. This is our circle of life. Enjoy!

~Deb Wilson, Coordinator

A NEW ADVENTURE FOR RAIN ~ NEXT STEPS PROJECT

A new exciting adventure for RAIN began in the Fall of 2011 as our new partnership with Cankdeska Cikana Community College; Spirit Lake Nation was awarded grant funds from the Health Opportunity Grant Program (HPOG) through the Administration for Children and Families. The five year grant, Next Steps: An Empowerment Model for Native People Entering the Health Professions, aims to create a career ladder allowing entry and promoting advancement within the healthcare workforce through a variety of options.

RAIN is a subcontractor for this award and is responsible for providing mentors for Next Steps participants. The purpose of this grant is to assist American Indian students as they progress in health related career educational pathways. The program provides tuition and fees and may assist with transportation and childcare costs. As part of the Next Steps Project, RAIN selected five individuals to serve as mentors at Spirit Lake Nation, Mandan Hidatsa and Arikara Nation, Standing Rock Nation, United Tribes Technical College, and a statewide mentor.

Hi. My name is **Lizz YellowBird** and I am the Fort Berthold mentor. I am an enrolled member of the Sahnish tribe. I have 7 children and 22 grandchildren, and grew up in a large family of 15 people, so I love working with my students.

My name is **Tracey Baker**, I am an enrolled member of the Turtle Mountain Chippewa. I am the state-wide mentor. I have a double masters degree in Business Administration and Management from the University of Mary. I have been in the education field since graduating. Education has always played an important part of my life, I believe that getting your education is the best thing anyone can do for themselves.

Hi. My name is **Phillip D. Longie**. I am the new Spirit Lake mentor for the RAIN/Next Steps Project. I am excited about being a part of the RAIN/Next Steps team and look forward to assisting students in reaching their educational goals.

Hi My name is **Arlene Brown** and I am the mentor at Bismarck/Mandan. I received my undergraduate degree from UND in Criminal Justice and Indian Studies. I am working on my masters in counseling at UND. I have been working as a mentor since April 2011 and loving every minute of it.

MEET OUR MENTORS

Hi. My name is **Evelyn (Faye) Foote** and I am the Next Steps mentor for the Standing Rock Area. I am married to a Vietnam Combat Veteran and together we have two wonderful children, a daughter who wants to go into nursing, and a son who is in 10th grade. I have an A.S. in Human Services from Standing Rock College and a Bachelor of Arts In Psychology from Minot State University and a Masters in Health Administration from the University of Phoenix.

Faye Foote's office at Ft. Yates.

New Funding for RAIN: HRSA

The RAIN Program has recently been awarded a Nursing Workforce Diversity grant from the Health Resources Services Administration. RAIN submitted a proposal to request funding to recruit and retain American Indian/Alaska Native (AI/AN) students who are pursuing nursing degrees. These additional grant funds will be utilized to provide support services, scholarships and stipends to AI/AN students who are pursuing nursing degrees at the UND College of Nursing. Nurses will return to their native communities to positively impact the health care delivery systems and help alleviate the disparities of health care of AI/AN population.

The funding is a three year award beginning July 1, 2011. These additional funds will allow RAIN to continue as a premiere program for support of AI/AN students; to-date we have graduated 159 Bachelors (BSN) and 39 Masters (MS) prepared nurses. Five of the RAIN Masters nurses have completed PhD degrees at other institutions and one has earned her Juris Doctorate.

Prospective Student Advisor

In September, 2011, Kara Anderson was selected to become the new RAIN Program Prospective Student Academic Advisor. Kara will be responsible for sending information to new prospective students, advising and following progression into the nursing program. Kara has a BS degree in management from the University of Minnesota –Morris.

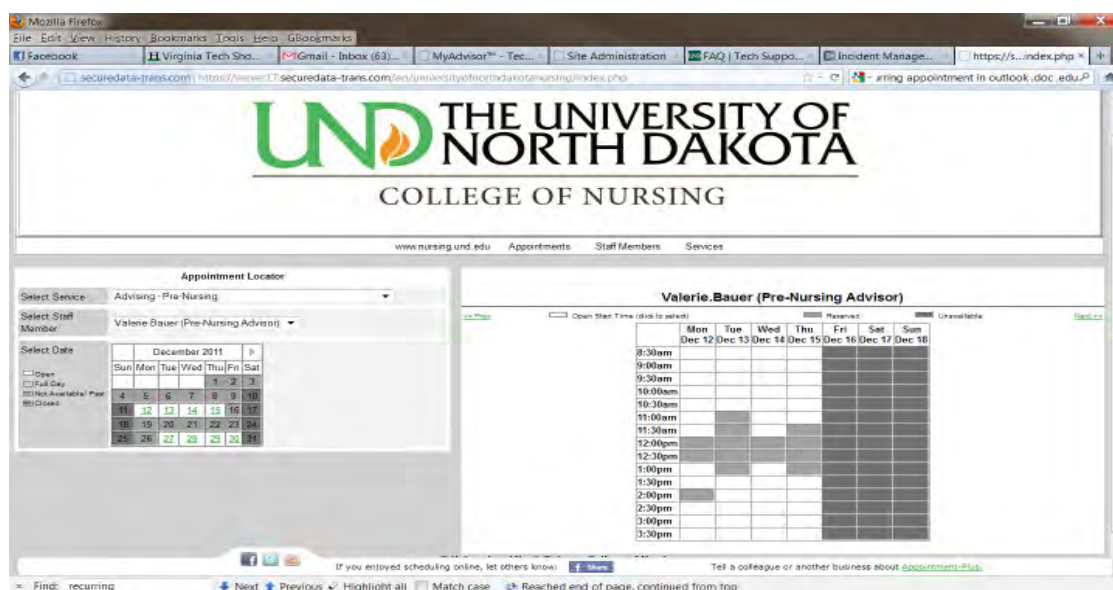

Kara was previously the Administrative Assistant for the CON Office of Research. Kara and significant other Justin have two sons and one brand new daughter.

Welcome to the RAIN family!

Appointments Plus: A New Scheduling Tool for CON Students

Appointments Plus is an online scheduling program that allows students to schedule a time to meet with their advisors. There is a link to this on the www.nursing.und.edu website, go to "Schedule Appointment".

When students click on Schedule Appointment, they are taken to Appointments Plus and have the option to "select service" then "select staff member", once they do that, that person's scheduled available times appear. From there they may select an open time and complete the required information to schedule the appointment.

The screenshot shows the Appointments Plus interface in a Mozilla Firefox browser window. The page header displays the UND logo and "THE UNIVERSITY OF NORTH DAKOTA COLLEGE OF NURSING". Below the header, there are navigation links: "www.nursing.und.edu", "Appointments", "Staff Members", and "Services". The main content area is titled "Appointment Locator" and includes a "Select Service" dropdown menu set to "Advising - Pre-Nursing". Below this is a "Select Staff Member" dropdown menu set to "Valerie Bauer (Pre-Nursing Advisor)". To the left of the calendar is a "Select Date" section with a calendar for December 2011. The main calendar is a grid showing available times for Valerie Bauer. The times are listed on the left: 8:30am, 9:00am, 9:30am, 10:00am, 10:30am, 11:00am, 11:30am, 12:00pm, 12:30pm, 1:00pm, 1:30pm, 2:00pm, 2:30pm, 3:00pm, and 3:30pm. The days of the week are listed at the top: Mon Dec 12, Tue Dec 13, Wed Dec 14, Thu Dec 15, Fri Dec 16, Sat Dec 17, and Sun Dec 18. The calendar shows that Valerie Bauer is available for appointments on Monday, Tuesday, Wednesday, and Thursday from 8:30am to 3:30pm. The interface also includes a "Find" button and a "Previous" button.

For students interested in scheduling an appointment with a RAIN advisor or Next Steps mentor, under the Select Service tab select RAIN: Recruitment/Retention of American Indians or RAIN: Next Steps Mentoring and choose the appropriate staff member's name. Our RAIN staff is available for you, please call if you have any questions on the new scheduling system.

Academics

Challsey Lawrence and Kimberly Garnett with clinical instructor Mary Adkins (middle).

A multi-systems study group during finals time.

Students studying for finals.

Congratulations Kimberly Garnett, Clarice Bauer, and Lauren Oseland!

Kim, Clarice, and Lauren have been inducted into Sigma Theta Tau International Honor Society for Nursing (STTI). It is the only international honor society specifically for nursing in the world. These students were inducted based on academic excellence, which includes having a GPA of 3.0 or higher and ranking in the top 35% of their graduating class. By joining STTI, these ladies are now part of a global community that lead in knowledge, scholarship, service, and learning to improve the health of the world's people.

 Leech Lake, MN.....February 11, 2011
 Fond du Lac, MN.....March 16, 2011
 Ft. Totten, ND.....April 15, 2011
 UTTC, Bismarck, ND.....September 9, 2011
 (Presented at HEROS Conference)
 White Earth, MN.....December 2, 2010
 December 6, 2011

Alumni Teresa Brockie, MS-RN, (1999 BSN) at Ft. Belknap. Spring 2011.

Clarice Bauer enjoying her lunch on the College of Nursing lawn. Clarice is our first RAIN student in the BAC2 program.

Barb Anderson at the RAIN booth at the NIH Conference, San Diego CA, Fall 2011.

AIHEC Powwow in Bismarck, ND, Spring, 2011.

Red Lake College, Red Lake, MN.

RAIN alumni Clarice (Kills Pretty Enemy) LeBrun, BSN 1991, MS 2011 and Elaine Gunville, BSN 2004 at Rapid City IHS.

RAIN student Chantel DeCoteau with alum Robbi Baker, BSN 2007 employed at IHS Fort Yates.

Alumni, Mary Lynn Eaglestaff, MS 1996 and Teresa Nelson, MS (BSN 2006) at the Aberdeen Area Nursing Conference, summer 2011. (At left)

College of Menominee Nation in Keshena, WI.

MS student Susan Harkey working at Menominee IHS.

La Courte Oreilles Ojibwa Community College in Hayward, WI.

"On the Road", March 2011 in Rocky Boy, Montana.

RAIN Alumni Johnette Gillis, BSN 2008, Teresa Nelson, MS (BSN 2006), Valerie Egelsheid, BSN 1988 and Robbi Baker, BSN 2007 working at Ft. Yates IHS Hospital.

OUR RAIN FAMILY

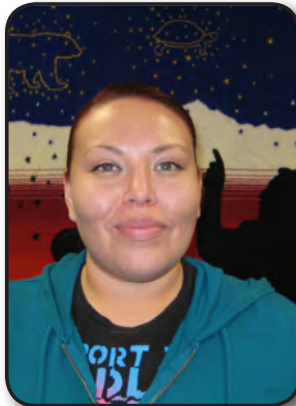

New Adventure for Amy

Amy Fiala, our Nurse Mentor for the past two years, has resigned her position with us effective December 30, 2011. Amy will begin her new adventure as a Public Health Nurse for Polk County in Minnesota. We presented Amy with a Pendleton blanket for her years of service. We miss her very much and wish her all the best with her new endeavor!

In Memoriam of Nicolette Wolf Leader

It is with much grief we report the loss of our student, Nicolette (White Temple) Wolf Leader. Nicolette was tragically killed in a car accident on December 27, 2011. She was in her third semester of the nursing program. Her children are Jameson, age 10 and Josephine, age 6. Nicolette was a wonderful human being, mother, sister, daughter and friend to so many whose infectious laugh was often heard in the RAIN area. We miss her very much! Our condolences and continued prayers go out to Jameson, Josephine, her families and to all of her friends. The College of Nursing held a memorial service for her on January 11, 2012.

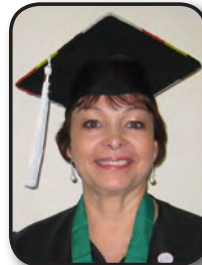

Life-long Learners reach goals

RAIN Family Members Have New Degrees

Two members of our RAIN family have reached their educational goals.

Deb, Lizz, Dr. Christine Burd, and Barb

Our Assistant Coordinator, Barb Anderson, earned her BS degree in Social work on December 17, 2010 graduating Magna Cum Laude.

Dr. Elizabeth "Lizz" YellowBird was awarded her Ph. D. in Educational Leadership on December 18, 2011. Dr. YellowBird will remain with the RAIN Program as the Next Steps mentor for Ft. Berthold.

Congratulations to you both - you inspire us!

Lizz YellowBird and family on graduation day.
