1 They Who Go Away Mad

1st Brother: 2 We're going to leave these people. 2nd Brether: 3 Let
 leave them then. 4 They left, 5 and went to Lower California. 6 They made
 shore, disembarked, and went to the mountains, 7 when they arrived where
 there was some water. 8 Soon two women came along, and grabbed them. 9 Too
 rolled them up in the tops of their skirts. 10 They carried them, and re
 turned. 11 They arrived at camp but didn't say anything. 12 When it got
 dark they lay down together it was said. 13 They didn't sleep, and they
 laughed, 14 during the night it was said. 15 Then an old woman who was
 lying there 16 spoke to them in this manner it was said. 17 Shut up.
 There's too much noise! Go to sleep! 18 What's grabbing at you? 19 Why

don't you sleep? 20 The next morning they told about it it was said.
 21 They told it like this it was said. 22 We found pretty things. 23 We
 found such tiny real-looking people. 24 They are small but have whiskers.
 25 Then they brought them out. 26 After they brought them out, 27 they
 prepared them, 28 they scraped the soles of their feet and the palms of
 their hands, 29 when blood seeped out they stopped. 30 Also they scraped
 their fontanels. 31 Next they rubbed whale brains mixed with salt into their
 palms the soles of their feet and their fontanels it was said. 32 Soon they
 were getting bigger every day it was said. 33 Soon they were the size of the
 giants it was said. 34 The ones who found them and brought them to camp
 married them it was said. 35 Then they mounted balsa boats, 36 when they
 killed whales, they ate them it was said. 37 After they lived there for a
 long time, the younger brother spoke out it was said. 38 Brother, the year
 is almost over! 39 The $\tilde{r}n\acute{a}xan$ $s\acute{i}kto(x)$ (bush) is bearing fruit! 40 Let's go
 home! 41 But it happened that the elder brother returned alone it was said.
 42 He disembarked(on Tiburon Island) in front of San Esteban Island at camp
 $ky\acute{a}xox$ it was said. 43 He was seated on a large balsa boat, 44 he arrived
 where some of the people were it was said. 45 He inquired about his wife
 it was said. 46 Then they told him it was said. 47 She lives at camp $\tilde{r}nit$.
 48 Soon he left it was said. 49 When the giant arrived at $\tilde{r}nit$, the giant's
 wife's new husband strung his bow as he thought to protect himself. 50 The
 giant grabbed him, and put him under his arm 51 when he squeezed him, he
 squashed open the man's side it was said. 52 It happened that there was a
 long cloth, 53 he arranged it, and tied it around his head it was said.
 54 He put his wife and children inside the headband. 55 He left it was said.
