 aspect v. long ago Tigress

Free Translation

1 The Tigress crossed the water by means of a bridge. 2 The Twins had placed stars indeed, in the form of a bridge across it. 3 The crotch of (a supporting post) was broken, this was long ago. 4 With the result that the Tigress fell into the water. 5 There and then the Twins shot the Tigress, long while ago. 6 Very angrily, indeed, they shot at her, long while ago. 7 To the skunk the Twins said, "Please chase her over this way.", long while ago. 8 To the opossum also, at the start, definitely they told him indeed not to chase her over there. 9 They (the opossum and the skunk) were chasing her in a stupified state, so that she smelled the odour. 10 In circles (was-she-going, Descriptive Aspect) indeed. He (skunk) emitted, long while ago. 11 In circles (was she going). "Thither do not chase her" the Twins told him (skunk) 12 So at last died thus the Tigress, a long while ago.

Second Version

skunk stink emitted

Free Translation

1 Due to the circumstance that (the Tigress) had eaten their mother
(toad), (they said) "let us shoot her to death" 2 The two of them
placed poles stripped (slippery) across the water. 3 So, you see, was
the crab stirring-up the water towards her. 4 At first the skunk went
near to her (the Tigress) "There now, chase her over here!" 5 "Over
against this side chase the Tigress. So ? ? ? a long while ago. 6
She (Tigress) was stupified. The opossum going towards her was not
chasing her over (she couldn't manage it) 7 Once more the skunk
emitted a stink.
