The Merkle Incident

The swaggering New York Giants, led by John McGraw, and Frank Chance's pugnacious Chicago Cubs came to the last bitter game of the hectic 1908 National League season, separated by the smallest of percentages. Animosity at the boiling point, the teams met at Manhattan's Polo Grounds. They fought and wrangled desperately until the last of the ninth inning, when the score read 1-1. As *TIME* would have reported the Giants' half of the last inning, had *TIME* been published September 27, 1908....

....Giants at bat. Seymour and Devlin easy outs. Then McCormick singled lustily. "Tinker to Evers to Chance" jeered a bleacherite. But tall Fred Merkle hit into no double play. His single put McCormick on third. Bridwell, ordinarily a weak, left-handed hitter, came to bat, white-faced. More jeers: "Tinker to Evers to Chance." Cub shortstop Joe Tinker, second baseman John Evers, first baseman Frank Chance, hardly heard. "Crack!" and Bridwell hit sharply to left, Evers leaping in vain for the ball. McCormick sprinted home, as a mighty roar went up from the Giant rooters. Merkle, coming toward second base, saw McCormick cross the plate, so turned off the base lines just short of second base, and sprinted jubilantly to the club house.

Hoffman in center field, alert, recalling a similar play two weeks before, sprinted for the ball. "Iron Man" McGinnity, Giant coach at first base, likewise

sensed Merkle's blunder; so did the Cub infielders. Hoffman scooped up the ball, hurled it over Evers' head, hitting Joe Tinker in the back as he was frantically calling Umpire Emslie's attention to the play. "Iron Man" McGinnity, coming on the run, seized the ball to hurl it into the stands. Tinker pinned his arms, and the ball lobbed into the crowd already surging on the field. A fat souvenir hunter grabbed it joyously. Young Floyd Kroh, substitute Cub pitcher, rushed from the bench, fists flying, yelled for the ball. The fat fan cried "Nix." Kroh struck him thrice, broke his derby, seized the ball and handed it to Evers who stepped quickly on second base. Chief Umpire Hank O'Day shouted, "Are you touching second base. Evers?" "Yes," replied the lantern-jawed little second baseman, now completely swallowed up by the mob. "All right. The man is out and the run doesn't count," said Hank O'Day.

Evers, bruised and beaten as the fisticuffing fans and players milled about him, finally reached the safety of the club house with the ball in his hands. The ensuing riot swept players and officials from the field, prevented the completion of the game, tied at 1-1....

So, too, would *TIME* have told how the controversy raged, how the National League directors sought to award the game to the Giants, how the public would not stand for it, how finally the Cubs, not to be denied, won the play-off in another bitter Polo Grounds game, and went on to win the World Series from Detroit two days later.

Class of '29 to Boost Alumni Ranks

Membership in the University of North Dakota alumni association will be boosted 253 Tuesday, June 11, when that number of seniors will be granted degrees. This is the number surviving those petitioning for sheepskins, announces R. O. Wilson school registrar.

Opening with class day exercise June 8 the program will be brought to a close Tuesday noon with the traditional alumni dinner when the graduates will be welcomed officially into the ranks of the association.

The senior breakfast, procession, and class day exercises will occupy senior's attentions Saturday. Sunday will be devoted to Baccalaureate exercises in which President Thomas F. Kane will deliver his charge to the departing class. This is set for that evening.

Alumni reunions of the various classes graduating in the past with special attention paid to the alumni of '25 years ago will take up time Monday. Judge Grimson, '04 is in general charge.

On Tuesday, June 11, the conclusion of the Commencement program will take place when 253 seniors will be given Sheepskins.

Thomas Campbell, Hardin, Mont., a university alumni will deliver the main address. Known as the world's greatest wheat grower, Mr. Campbell is also rated as one of the ten greatest products of the university of North Dakota.

'29ers Win Carney

Everything comes to him who waits is an old proverb, but its truth is borne out by the senior class winning the Carney Song contest this year.

Although it gave close competition for the past three years to the winners, it never quite got into the position to get the \$50 award. As Freshmen the group under the leadership

ANDREW
GRINLEY
Choregus

of Joyce Roberts took the Stadium song award, and pushed the winning sophomores for honors in the Carney contest. Two co-ed choregae, Jean Hannah and Alice J. Johnson then lead the class for the following two years. Still no \$50.

It remained thus for the class this year under the leadership of Andrew Grinley to take the \$50. Alice J. Johnson was accompanist, and songs were written by Thelma Gunderson, Fred Voedisch, and others on the committee selected by the winning choregus.

Hillman Named Cadet Colonel

Francis Hillman will head the reserve officers training corp at the university of North Dakota next year, announces Major E. V. Smith. He succeeds Lewy Lee. As cadet Lieutenant colonel, Robert Nuessle has been named. He takes the place of Bruce McNeil.

U Band Finally Gets New Uniforms

After several delays the University band is now attired in new uniforms. They are of light powder-gray flannel, and are decorated in the school colors of pink and green. The band will appear in them during commencement week, announces Prof. John E. Howard, director.

Tri Delts Complete Installation Service

Following the first formal inspection of Delta Tau by Miss Pearle B. Bonisteel, national president, and Mrs. Florence S. Grant, national alumnae secretary of Delta Delta Delta, February 12, word was received by the local sorority, March 25, that a charter had been granted to the petitioning group.

Delta Tau was organized as a local in the spring of 1923 with Tri Delta as its aim. Since that time the local group has worked toward that goal and last summer made its first formal petition to the national group at its convention at Breezy Point Lodge. Mrs. F. H. Lomis, Grand Forks, presented the petitioning group to the national body upon the request of that organization in 1929. Delta Tau was one of four groups to be given recognition at this convention and upon that basis was granted an inspection. There were approximately fifty locals petitioning Delta Delta Delta at this meeting.

Emily Olson, Bismarck, has

been the president of the group for two years, and Lillian Bradish, Hurley, Wis., is president of the new group.

Delta Delta Delta was organized on Thanksgiving Eve, 1888, at Boston University. Since that time, 75 chapters have been installed, including Theta Tau at the University of Idaho and Theta Sigma at the University of North Dakota. These two chapters were installed on the same dates, May 24, 25 and 26, and are the only twin chapters in the organization.

Mrs. Alexander Grant, Minneapolis, officer in charge of installation, was one of the inspecting officers in February. As assistants she had Mrs. T. E. Starke, Minneapolis; Mrs. C. A. Erdman, Minneapolis; Mrs. M. E. McCurdy, Mrs. L. H. Redelfs, Mrs. Norman Tenneson, Miss Nancy Elliott, and Miss Gladys Hawkins, of Fargo; Mrs. L. O. Lantis, Miss Hazel McCulloch, and Miss Thelma Anklam, Minot; four actives from the Minnesota chapter, Dorothy Bruhn, president, Doro-

thy Bailey, Margaret Merritt, and Judith Jones; also, Mrs. F. H. Loomis, and Agnes Benson, resident Deltas.

Friday, May 24, was given over to examinations and pledging of non-resident alumnae who had returned for the installation ceremonies. Following an informal dinner at the house the first degree of initiation was given at Corwin Hall, Wesley College.

Initiation proper took place on Saturday with 48 candidates for the Stars and Crescent degree. Those alumnae initiated were: Miss Ellen M. Yerrinton, Boston, Mass.; Myrtle Mott Kraabel, Fargo; Ruth Seymour Heneman, Pembina; Helen Bishop Eslick, Belfield; Fern Slater, Sykeston; Pearl Bignall Kent, Minot; Loretta Ulmen, Ray; Alice A. Walker, Barton; Mildred Lindell, Washburn; Sylvia Marriage, New Rockford; Kristin Erendson, Wyndemere; Theresa Klemesrud, Grand Forks; Vera Rusk, Carington; Geneva Nelson, Grand Forks; Gladys Schrader, Clyde;

Helen Mowry, Sarles; Mary Katherine Smith, Grand Forks; Clara Hultberg, Bismarck; June Batie Ebenhahn, Omamee; Maude Neville Woodward, Minneapolis, Minn.; Lillian Huset, Grand Forks; Lillian Horn, Grand Forks; Ramona Coghlan, St. John; Iva Burnstad, Burnstad; and Mildred Zerwas, Watertown, S. Dak.

Actives initiated were: Violet Schrader, Clyde; Leal Edmunds, Grand Forks; Lillian Bradish, Hurley, Wis.; Emily Olson, Bismarck; May Stewart; Nekoma; Vera Schanche, Grand Forks; Herdis Schanche, Grand Forks; Rita Zerwas, Watertown, S. Dak.; Marion Mangan, Rolla; Edith Hughes, Lakota; Marjorie Buchanan, Carrington; Cecelia O'Donnell, Edgar, Mont.; Loretta Page, Golva; Harriet McDougall, Hampden; Hilda Hultberg, Bismarck; Geraldine Babler, Grand Forks; Vivian Sorenson, Grand Forks; Irene Horn, Grand Forks; Billie Ogden, Oakes; Phyllis Reff, Grand Forks; and Blanche Anderson, Bisbee.

Following the initiation ceremonies a formal banquet was served at the Ryan Hotel. Miss Yerrinton presided as toastmistress. Emily Olson spoke for the active chapter on the "Steadfastness of the Pine." Other toasts were given by Nancy Elliott on "The Heart of the Pansy;" Hazel McCulloch on "The Lure of the Trident;" Mrs. L. O. Lantis on "The Pearl;" and Mrs. Grant on "Encircling the Stars, The Crescent." Mrs. Erdman, third national president of Delta Delta Delta, extended greetings from her chapter at Minnesota.

A formal reception for the visiting Deltas and installing officers was given at the chapter house on Sunday afternoon. Officials of the university, heads of departments, and representatives of groups on the campus were invited.

Installing officers and alumnae returned to their homes on Sunday night and Monday. Delta Delta Delta entertained guests

Journalists All to Work in North Dakota

The university will be well represented on state papers this year when journalism students from the department here will take positions on numerous North Dakota weeklies and dailies.

Senior students have practically all been placed. Ross W. Phipps goes to the Fargo Forum; Oscar Berg to the Stutsman County Record; Charles Andrus to the Emmons County Free Press; Victor Rose to the Grand Forks Herald; and Margaret Richmond is at present assisting on the Jamestown Sun. She later may work on some state weekly.

Junior and sophomore students will go out also this year under a plan outlined by Profs. Bump and Mader of the journalism department. The students will work mostly for experience, the department asking only that the individuals be given a living wage.

Those placed to date are Don Reinoehl, Cavalier County Republican, Langdon; Bertha Turn-

er, Richland County Farmer Globe, Wahpeton; Oscar Buttedahl, Steele County Farmers Press, Finley; Henry Frank, Grand Forks Herald (August 1), Alvin Austin, Grand Forks Herald; Gerald W. Movius, Fargo Forum; Corrinne Nix, Enderlin Independent; Billie Ogden, Oakes Times; and Wesley Meyer, Detroit Lakes Tribune.

Most Athletic Co-ed

LENORE LONG

Taking recognition of general outstanding ability and interest in all forms of athletics, members of the Women's Athletic Association chose Lenore Long, Finley, the most athletic co-ed for the year. This title has been held for two years by Barbara Register, Bismarck.

Miss Long has been prominent in co-ed sports. She was president of W. A. A. the past year, is wearer of a U.N.D. and has been a star in campus league basketball.

She is a member of Chi Omega sorority and will be graduated June 11.

and representatives of the sororities and fraternities on the campus at a formal ball on Monday night, thus bringing to a close all installation proceedings.

Only two of the founders of Delta Tau were able to return for initiation into Delta Delta Delta. They were Ruth Seymour Heneman of Pembina, and Myrtle Mott Kraabel of Fargo. Others plan to return for initiation ceremonies that will be held in the fall.

Installing officers said that this was the largest group of alumnae ever to be initiated into a chapter of Delta Delta Delta. Coincident with this were the six pairs of sisters that were initiated. They were Clara and Hilda Hultberg, Bismarck; Vera and Herdis Schanche, Grand Forks; Rita and Mildred Zerwas, Watertown, S. Dak.; Beatrice O'Donnell Anderson, Lansford, and Cecelia O'Donnell, Edgar, Mont.; Gladys and Violet Schrader, Clyde; and, Irene and Lillian Horn, Grand Forks.

'04 R. A. Nestos, Minot, former governor of North Dakota, delivered the Commencement Address at Luther College, Decorah, Iowa.

These Add to Beauty of Fraternity Row

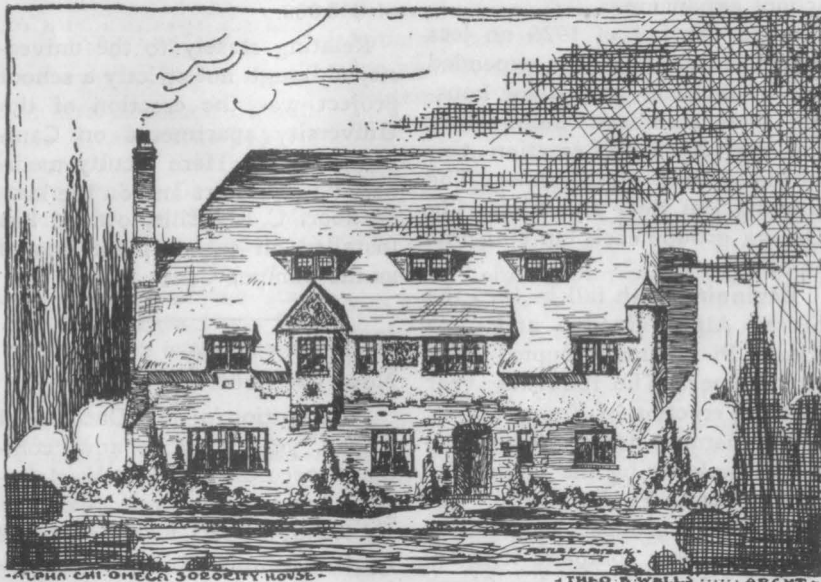

GAMMA PHI BETA

Something new in University building will be completed this fall when Gamma Phi Beta finishes its new home on Cambridge and University. For the first time in school history land surrounding a house will be landscaped. The home will be done in French style architecture and will be surmounted by two towers.

Landscaping will be completed about the house, and added to the natural beauty of English Coulee and vicinity it will be a beautiful addition to fraternity row. Complete the structure will cost \$32,000 and accommodations are provided for 20 girls.

GAMMA PHI BETA SOCIETY HOUSE

ALPHA CHI OMEGA SOCIETY HOUSE

ALPHA CHI OMEGA

Erected between the Beta Theta Pi and Kappa Sigma houses on University avenue the new Alpha Chi Omega home will be ready for occupancy September 15. Work has already gotten under way on the structure which completed will cost \$33,000. Living quarters will be provided for 17 girls exclusive of the house mother and the servants.

It will be modelled after a French cottage, and will be of brick and stucco construction. Its exterior will appear old, according to plans, giving the idea of crumbling plaster. The basement has already been completed and construction work will begin immediately.

Senior Journalists Edit Morning Herald

Putting into practice journalistic theory taught them all year members of the Newspaper production class at the University edited the morning edition of the Grand Forks Herald, Saturday, May 25. Students were in charge of the entire paper. They handled the editorials, covered city beats, edited telegraph copy, and supervised the makeup.

Ross W. Phipps was in general charge as managing editor. Assisting him were Viola Streimikes, city editor; Margaret Richmond, head of the copy desk; Charles Andrus, sports editor and Carlyle Mathyson, Northwest editor. Reporters were Victor Rose, Clara Sweetland, Betty Hall, Billie Ogden, Oscar Buttedahl and Maxine Hegland. Alice Gilbertson was society editor, and

as publishers of the paper were Prof. Franklin E. Bump, Jr., and Joseph H. Mader, instructors in the class and members of the journalism faculty.

'03 John M. Hancock sends in his Life Subscription to the magazine with the following letter:

My dear Mr. Webb:

I have just received your letter of May 22nd and I think your idea of a life subscription is a good one. You will find my check for twenty dollars enclosed. You are doing a good work and I want to do my little bit to show that I appreciate it."

Present Class Sees \$900,000 In Building

When the present class of '29 leaves the university it will have seen more than \$900,000 in building either underway or completed during its four years sojourn here.

Both in addition to the fraternity row, the university campus, and to related school projects has the present class witnessed an unparalleled building program reach completion.

The greatest of all this list of buildings, is of course the new liberal arts structure. Complete, it will cost more than \$300,000 and will double the present class room accommodations. However, members of the present class will not occupy the building as its date for completion is set for September 15.

Totalling costs for improvements since 1925 on the university campus one discovers the following expenditures:

New Liberal Arts Building.....	\$325,000
Memorial Stadium	150,000
Robertson Hall.....	40,000
Additions to Fraternity Row	350,000
Erection of University Apts.....	50,000
Conversion of Library, etc.....	40,000
TOTAL	\$955,000

The stadium with its towering stands accomodating more than 8000 fans was started and partially completed in the past four years. Its final completion, stadium officials declare, will depend greatly upon the manner in which the present group of seniors send in their dues.

Liberal payments will aid in re-

tiring the debt on the present structure and expedite plans for the memorial gymnasium and union building, J. W. Wilkerson, campaign treasurer says.

Work on Robertson Hall, new recitation building for Wesley College, is now well underway and will add greatly to both the Wesley campus and to the University. John Hancock, with his gift of \$40,000 to the fund made this possible, and present plans call for the completion of the structure by next fall, according to Dr. E. P. Robertson, president.

But to university students as a whole the feverish building activity of fraternity and sorority houses will remain longer in their memory than any other phase of school expansion.

Since the fall of 1925 no less than \$300,000 has been expended by Greek letter groups for housing their members. Culminating this activity is the erection this spring of two more homes. The Gamma Phi Beta and Alpha Chi Omega groups each building this summer.

Beginning with fall in 1925 the Sigma Alpha Epsilon and Beta Theta Pi groups occupied their new homes. The following year saw the erection of Kappa Sigma, Delta Gamma homes. Then followed building by the Sigma Nu, Delta Zeta, Pi Beta Phi, and Alpha Phi groups. In addition plans are now complete it is announced for building by Sigma Kappa and Tau Sigma Rho groups within the next few years.

In the same past four years has there been a shifting of the housing of students from downtown onto the University campus or vicinity neighboring it. Into houses vacated by fraternity groups religious bodies have moved and set up boarding and rooming houses for their particular members.

The Newman Club, Catholic

students group, took the lead in this in 1926 when they purchased the old Delta Zeta house on 315 Hamline St. This past year the Luther Club established itself in the old Alpha Chi Omega home, and the Congregational church established a girl's dormitory on University and Hamline street.

Incidental expenditures authorized have provided for the conversion of the old library building into the University commons, and the adaptation of the former Commons structure for the library. This was completed at a cost of about \$40,000. An addition was erected onto the old library building for a kitchen, and the placing of steel racks and otherwise fitting the new library cost a total of \$40,000.

Relating closely to the university although not strictly a school project was the erection of the University apartments on Cambridge street. Here faculty members find quarters and on the lower floor, C. C. Ellis, owner, has installed an eating place known as the Campus Cave.

Dacotah of Today Now Distributed

Distribution of the Dacotah of Today, year book, is now complete, according to R. H. Johnson, Forman, business manager. Edited by Albert Egermayer, the book is completed in the modernistic art of the present time. It has been accorded very favorable recognition although several bad errors in the feature section have been a detraction from the book's general excellencies.

Margaret Alice Babcock, '28 was recently chosen president of the Devils Lake Business and Professional Women's organization. Miss Babcock is society editor of the Devils Lake Journal and visited the University while in Grand Forks to attend recent convention of the Business and Professional Women's group. '95 Mrs. E. R. Schenberger lives at Strathmore, California. She writes very interesting letters.

40 Granted R. O. T. C. Commissions

WITH THE "CHURCH'S"

MR. AND MRS. EMERSON CHURCH
AND BABY

Mr. and Mrs. Emerson Church, '23 (Versie Frazier, Ex. '27) are the proud parents of this fine boy.

They live at 222 Christie St., Leona, New Jersey, where Mr. Church is employed as a supervisor of accountants. His father is J. Church, member of the state board of administration at Bismarck. Mrs. Church is the daughter of United States Senior and Mrs. Lynn J. Frazier, '01.

Ex. '27 Richard Lee Roland, son of Mrs. E. G. Roland (Christine Lucke, Ex. '03) was married to Daphon Lucille Huckaba Sunday, April 14th, in Carrothersville, Missouri.

The annual business meeting of the Alumni Association will be held at 3 P. M. Monday, June 10, Woodworth Auditorium.

The annual reports of the Secretary and Treasurer will be presented. One vacancy on the Board of Directors, now filled by J. Douglas Leith, '20, will be filled.

President Fred J. Traynor, '04, will preside at the meeting.

Forty seniors of the University R. O. T. C. received commissions at the convocation May 29 which climaxed one of the most successful years in the history of the department. The commissions granted ranked the recipients as second lieutenants in the Officers Reserve corps.

Featuring the year for the corps was the annual Military ball sponsored by the Officers club, composed of first and second year men in the advanced course. Bruce McNeil, cadet lieutenant colonel was manager of the ball.

A frontier gambling den furnished the background for the party, and all arrangements were carried out along that general theme. Regimental sponsors announced were Dorothy Gehrke, honorary colonel; Tomena Thoreson and Evelyn Walker, honorary lieutenants; and Esther Nelson, honorary adjutant.

Company competitions, held annually and consisting of four drills and inspections, were won this year by Company "B," captained by John A. Stewart. A cup was awarded to the company, and every member of the outfit received a ribbon.

The annual spring inspection was held this year May 9-10, with Major James M. Lockett, Omaha, inspecting. Though hampered by rain, the parade and review scheduled for the afternoon of the last day was carried out in the armory.

A subsidiary part, although important is the university rifle team. Work in this is carried on by the military department.

Six men will be lost to the team through graduation. The seniors are Fugelso, Rom, Lukins, Novotny, Moen and Carpenter.

The team this year has made an excellent record, both individually and as a unit. The single, four-position record of 377 set last year

by Heath Gross was broken twice, once by Carpenter with 378 and later by Huffman with 380. The team fired in many intercollegiate matches during the year, and also in the National Hearst trophy match, in which they showed a much higher ranking than last year.

Senior members of the advance course who received commissions are:

Oscar A. Aaker, Clifford J. Aandahl, Albert Arneson, Calvin R. Bouvette, Charles Buchanan, John Burgess, Gordon J. Carpenter, Warren M. Doane, Harold A. Eberly, Helmer B. Ensrud, Robert L. NOW A GRANDDADDY

J. W. Wilkerson, University business manager is wearing a smile that won't come off as the magazine is going to press. Reports have it that he is a grand-daddy, as a fine son has been born to Mr. and Mrs. Richmond Quackenbush, Ex. '24 (Marjorie Wilkerson, '26).

Mr. and Mrs. Quackenbush make their residence at Pembina, N. Dak.

Nodak History Made By Graduating Athletes

With graduation this spring there will pass from the university some of the greatest athletes in the history of the school.

Most of these men are stars who

PAUL BOYD

have been active in Nodak athletics from the time they entered the institution four years ago. Some have starred in football, others in basketball, and still others in track. Then of course there are those fellows who though failing to reach the heights of stardom did much for their institution by solid drill and aiding others to help the school.

Included in the list under which men of all those classes are concerned are: Lewy Lee, Paul Boyd, Willis Shepard, Al Letich, Charles Solberg, Lawrence Kinn, Ernest Kotchian, Edward Showers, Harold Thoreson, Harold Eberly and Howard Hills.

These men have all taken prominent leads in Nodak sportdom, and it has been the lot of practically everyone mentioned to have played on at least one championship team in one major sport or another.

Since the list mentioned above enrolled at North Dakota the No-

daks can boast of possessing the state championship in basketball and football three times. When they were freshman they held the football title, and would have possessed the cage championship that year as well had the Aggies consented to a game, it is generally believed.

Conference championships in both football and basketball came to the Flickertails for the first time in the history of the North Central conference while the present crop of senior athletes held forth. A year ago the Nodaks grabbed off the cage bunting, and this past fall West's men took the grid title after a season in which they met no loop defeats.

So outstanding has been the record of Nodak teams in the past three years that the Aggies, traditional rivals have been content to accept only wins in minor sports. Three football games have

WILLIS SHEPARD

been won by the Flickers, and in basketball the downstate team has captured only two of 13 games in the past three years.

Thus as units in a team have the seniors starred. Boyd and Lee have each won eight letters and have been rewarded by blanket awards. These blankets will be Pink and Green in colors and will have indicated on them sports played, letters won, captaincies,

and the like. Starting a tradition this year, the plan will be carried on in the future and all athletes getting six or more major letters will be eligible for the award. Both Lee and Boyd have won all-conference places in basketball and have been given favorable mention for their grid exploits.

Then there is Shepard. The Bismarck youth led the first Nodak

LEWY LEE

football team to a conference championship, and his work was such that he was the unanimous choice of critics for all-conference. In addition he will have his name placed on the scholarship shield in the new liberal arts building for maintaining a creditable average.

SHOWERS

In speaking of championships, Coach C. A. West always waxes enthusiastic about the line he had last fall. In it were Ernest Kotchian and Eddie Showers, both seniors and both of such calibre that they were placed on several all-conference teams. Showers played an iron man stunt

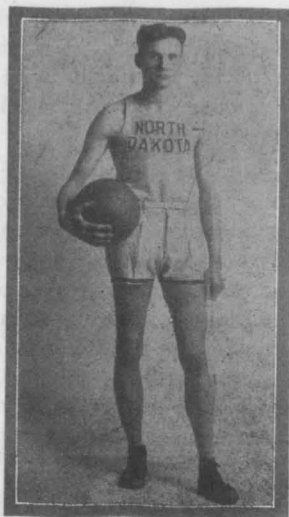

and did not have a substitute throughout the entire season.

THORESOM

Harold Thoreson and Orville Lindell were two reserves who proved their worth on several different occasions in the grid machine developed last fall. Thoreson gained his letter and also was awarded a gold football for play in conference games.

Leaving football Clem Letich will have his worries next fall to find a guard to supplant Harold Eberly. Eb did everything a good guard should do. His floor work was excellent and his offensive thrusts were a constant source of annoyance to opposing teams. He received the unanimous choice of coaches

ORVILLE
LINDELL

HAROLD EBERLY

and critics this year for all-conference. He with Boyd and Lee played regularly together for four years, and he and the latter also

went through three years of high school basketball together.

AL LETICH

Al Letich still has fans around the loop talking about him. His scoring was always a big factor in Nodak victories and many a guard has wished for less speedy competition after watching him for the evening. Al ran a foul faculty ire the last

ERNEST KOTCHIAN

semester this year but his three year record was one of greatness.

CHARLEY
SOLBERG

In his sophomore season he led the conference in scoring, and for two years was the choice of many critics for the all-loop team.

Then there is Charley Solberg, Clem Letich's greatest reserve threat. Charley, short of stature and with a somewhat unorthodox style of play proved the sparkplug often in Letich's scoring machine. It was he who hauled the St. Thomas game out of the fire when a sophomore and since that time he often has been sent in to pull a similar stunt.

Although injured in his sopho-

more year, so that the use of his right arm was almost denied him for two years Larry Kinn stuck by the squad and proved his value to the team. Entering the university as one of the most brilliant prospects in years Larry lived up to his reputation as a freshman and did well in both football and basketball. At the outset of this sophomore year he was holding down a starting berth on the football team when injured. Since that time he has played only basketball, but so valuable were his services deemed that he made the big trip in the cage sport this past year. He will return to school next year, however, and will be eligible for competition, it is believed, the second semester.

Howard Hills showed the stuff that was in him by sticking with the football squad for four years. Although he never won a varsity letter, his spirit was such that he has the respect of everyone at the school. He was an unsung hero. Consequently when West issues his call for grid candidates next September, and then later in the year when Letich makes his bid for cage stars they will be called

LARRY KINN

upon to develop men to fill in where the present seniors have been going great guns for three years.

REUNE IN JUNE The 1929 Commencement season is at hand. The Alumni Reunion Committee with Judge "Mundi" Grimson, chairman, has worked hard to make this "Return of Nodaks" the biggest and best.

There is much enthusiasm concerning the twenty-fifth anniversary of the Class of '04. Judge Andrew A. Bruce will leave his duties at Northwestern for a few days in order to join his former students. Claude Carney from Minneapolis, Tom Chisholm from Chicago, Innis Ward from Duluth, and Charlie Hamel from Washington and several others from distant points have written in announcing their coming.

Monday, June 10th is Alumni Day. An informal luncheon at the Commons;—the annual business meeting at 3 o'clock in the afternoon at Woodworth Auditorium featured by an address by E. Claude Carney;—the annual banquet at 6:15 at the Commons with "Mundi" Grimson president as Master of Ceremonies. Brief talks will be given by members of the Classes of '04 and '09.

Tuesday A. M. Commencement will be held with Tom Campbell, '04, delivering the Address.

Davis and Budge Hall will be placed at the disposal of returning alumni. As Judge Grimson writes urging Nodaks to return, "Come live with us in Davis or Budge Hall June 9-11, and enjoy once more the happiest days of our lives."

OUR NEW ALUMNI It is an ancient custom to rejoice upon "an addition to the family." Thus the Nodak family rejoices with the addition of 253 new members.

The strength of any family is dependent upon the loyalty and cooperation of its members. The U.N.D. Alumni Association calls for support of our University in its educational program. The earnest cooperation of every member of this newly added family is needed.

Membership in the Alumni Association and its benefits will bring you much satisfaction in years to come. You belong to an organization that has great potential power, let it be your ideal to make the most of this potentiality.

A cordial welcome is extended to the Nodaks of 1929. Let service to your Alma Mater be a permanent ideal with you.

THINGS WERE DIFFERENT WHEN I WAS HERE If there is one thing above and other that makes old-timer grad go up in the air and come down on his derby, it is opposition to his fond belief that the university isn't what it was when he was here. But—

"The horseless carriage of '98—was a success in '98," says an advertisement in the Engineering and Mining Journal. . . . "You know from accumulated experience that the success policies of yesterday are soon made obsolete by the ever-changing demands of business."

* * *

AN OPPORTUNITY FOR POPULAR WRITERS "My impression when I first came to the University to make arrangements to enter," says a graduate of

some years ago, "sound rather strange now. I looked into the classrooms and saw classes at work; I went to the library and saw students with books propped up before them. Even in the dim old natural history museum the chairs by the windows were occupied by busy students."

Today, the prospective student is likely to see the campus for the first time at some game or celebration when the holiday and play spirit predominate, when books and recitations are laid aside. He may go to a palatial fraternity house as a prospective brother, when the most popular book is the telephone book. No doubt, too, he has already read all about us in the popular magazines, which tell of all the side-shows and practically nothing about the real University. He may have seen also the page advertisement in the papers showing several "prominent" students taking the blindfold cigarette test, and unerringly picking out the proper one.

Isn't it about time for some writer who can command a wide and popular audience to tell the thousands of young and impressionable people something about the real universities? Plenty of full and uninteresting writers are doing it, but they reach mainly those people who didn't need reaching.

Cooley Named Dean

Roger W. Cooley, acting dean of the law school for the past two years will be new dean of that school next year, announces Frank J. Webb, secretary to the president.

The new dean succeeds O. P. Cockerill who has been on a leave of absence. The latter is now in California from where he sent in his resignation.

Dean Cooley has been associated with the university law department for the past several years and in that time has gained the respect of his own students as well as general campus recognition. Last winter in the ballot conducted to determine most popular professors the new dean ranked high, although not placing in the first ten.

Bertha Turner is
N. I. P. A. Director

Heading activities of the Northern Interscholastic Press Association at the University next year will be Bertha Turner. She succeeds Viola Streimikes, retiring head. Miss Turner will have charge of the convention which will be held on the campus next year, and will edit a monthly bulletin to be sent out to all high schools in the association.

Thirteen Faculty Members Resign

Resignations of 13 members of the university faculty and the appointment or advancement of nine others were announced following the annual spring meeting of the administrative committee, May 22. Five leaves of absence were also granted.

Faculty members to resign are C. R. Tharp, commerce, G. A. McLeary, Law; Luther Lyon, commerce, Edgar A. Menk, classical languages, Mrs. Luther Lyon, assistant librarian, Ella Moen, art, Melvin A. Hetland, physics, John Flannagan, English, Jerome Syvertson, anatomy, John P. Gaardsmoe, anatomy, and Leland Lewis, physical education.

Promotions and appointments were: Josef Bergmeyer, instructor in German, Myrtle Sands, Physics instructor, Alden Squires, part time embryology instructor, C. M. Havely, physical education, George W. Swanson, graduate assistant in the school of mines, Eva Syre, graduate assistant in European History, Ransom A. Mackie, graduate assistant in American History, and Clarence W. Cummings, graduate assistant in physics. Miss Vera Bollinger will succeed Mrs. Hoover as matron of Davis Hall, and will in addition teach public speaking.

Leave for next year were granted to Prof. S. A. Hartzo; Prof. C. W. Byers; Prof. D. R. Jenkins; Prof. Irvin Lavine; and John Johansen.

New Editors Named For Next Yearbook

Robert Simpson and Leslie Watson were named editor and business manager of the Dacotah for 1931 by Sophomores in a ballot conducted May 3. They immediately began work on the book and engraving, printing and photography contracts have already been let. Work on the book will progress through the summer, announces the new editor, Simpson.

ALUMNI BANQUET

The annual Alumni commencement Banquet will be held at 6:15 Monday evening, June 10, at the University Commons. Judge G. Grimson, '04, will preside as Master of Ceremonies.

E. C. Carney, '04, Minneapolis and Innis Ward, '04, Duluth, will be the principal speakers on the Program, with members of the class of '04 and '09 responding with brief talks.

The University Orchestra directed by John E. Howard will provide music during the evening. Dr. "Wordy" Liebler, '22, will lead the singing.

Judge Bruce, Northwestern University, Charlie Hamel, Washington, D. C., "Bill" Lemke, Bismarck, Innis Ward, Duluth, Minn., Don Bull and E. C. Carney, Minneapolis, Minn., are to be back from district points.

WELTZIN GIVEN

PH. D. DEGREE

J. F. Weltzin will receive his Ph.D. degree at the June Commencement this year.

He has been engaged in teaching in secondary schools at Fulton and Streeter, North Dakota. '27-'29 he held the position as graduate assistant in the department of Scandinavian languages at the University.

DR. MAC DOUGALL DIES

"Dr Andrew MacDougall, '16, who for the past 7 years has been in charge of a hospital operated for the Sydney Mines besides having a large private practice at Kellogg, Idaho, died May 13th in the Deaconess Hospital at Spokane, Washington, from meningitis.

He leaves a widow and two daughters, Jean aged 5, and Ann Drew, aged 2. He was buried in the Fairmont Mausoleum at Spokane, Wash.

'Ex. '27 Richard Lee Roland, son of Mrs. E. G. Roland (Christine Lucke, Ex. '03) was married to Daphon Lucille Huckaba Sunday, April 14th, in Carrothersville, Missouri.

House to Handle Homecoming in '30

HOUSE

Carmen House will have charge of Homecoming exercises next year, announces Dean E. K. Smiley, chairman of the committee of Student Affairs.

House will make all arrangements for the parade, house decorations, and other functions which feature the annual day when old grads return to the school.

He succeeds Webster Pullen who was in charge of arrangements last October 3. Alumni returning that day along with the crowd of 7000 will recall the smoothness with which all events were run off. General credit for this has been accorded Pullen, who was chosen for the position because of ability shown in handling affairs for the Dacotah the previous year.

Committees have already been named to handle details in the work for next year. Plans call for meeting South Dakota University in football here on that day.

Senior Co-eds

Seven co-eds who have taken a prominent lead in all kinds of athletics for women at the University will be graduated this spring, a survey of the senior list reveals.

They are Barbara Register, Bismarck, Lila Argue, Hamilton,

PULLEN

Ione Haagenson, Grand Forks, Lenore Long, Finley, Phyllis Peterson, Binford, Neva Hydle, Wil-

liston, and Clara Sweetland, Grand Forks.

Of this number, all but Miss Hydle have won U. N. D. sweaters, which necessitate gaining 1000 points in athletic competition. Miss Hydle, however, is the possessor of 600 points, enough to hold a W. A. A. cup.

Register, Haagenson, Argue, Long, Peterson, and Hydle all have been prominent in intramural basketball. And it was this team which now holds the class championship. Sweetland led the co-ed track team this spring, while Miss Hydle has taken an active part in co-ed baseball, track and other sports.

Thelma Gunderson was named permanent secretary for the Class of '29 at a meeting Friday, June 7.

Veteran Norsk Professor Retires

Honoring a man who gave more than 28 years of his life to teaching at the University, students of the Scandinavian Languages department and alumni gave a dinner for Prof. John H. Tinglestad, retiring head of the department May 23.

Prof. Tinglestad announced his resignation May 15, and in the future will devote his time to research and study. In addition he plans extensive travel in his native land, Norway.

Letters from former students, and expressions of the high regard in which both the administrative officers at the school and the present group of student held the retiring professor featured the dinner.

Speaking for the alumni students, Supt. W. E. Lillo, head of the Larimore city schools characterized Prof. Tinglestad as a "great teacher who has given the best part of his life in a great work for the university and student body." He expressed the thought that while his departure may carry with it a feeling of sadness, he hoped that his latter years may be crowned with the satisfaction of work well done.

Expressions of appreciation for work completed were then read in letters from many students and alumni who found it impossible to attend. Among these were missives from former governor R. A. Nestos; Prof. Martin B. Ruud, now of the University of Minnesota; and many other notables.

President Thomas F. Kane then read a letter of appreciation which the state board of administration had sent him concerning services rendered by the retiring professor to the institution.

Following this and other similar expressions of appreciation Prof. Tinglestad was presented with a gift by those present. In addition those in charge of the banquet presented the university with an

enlarged framed picture of the honor guest. Dean Squires accepted this for the university, and the picture will be placed in the new arts building, it was announced.

Born in 1861 in Oslo, Norway, Prof. Tinglestad has had a varied and multiple career. Educated in that country at the age of 17 he was teaching school. A year later he came to the United States where he has remained since. He enrolled the following year at Luther College in Decorah, Iowa.

Following his graduation from that institution he spent the next year and one-half teaching mathematics in the school there. He decided to enter the ministry and consequently returned to school to prepare himself for that profession. He transferred to Luther Seminary at Robbinsdale, Minn., from which school he graduated with honors in 1890. He came to North Dakota and for the next ten years occupied a pulpit in Traill county.

His university history dates from 1901. He was appointed professor of Scandinavian and

German Languages then, but before accepting the post he went to Oslo where he spent a year in preparation for his duties.

He came here then the following year and acted in his dual position until 1910. That year he requested that the German and Scandinavian departments be separated. This was completed.

He has served here continuously then for 28 years with the exception of last year when he took a leave of absence. It was in this interval that he with a number of university men were honored for 25 or more years service to North Dakota.

Largely through his efforts the University now has a Scandinavian library recognized generally throughout the entire United States. In addition he at one time was offered the nomination for state governorship. This post he declined although friends secured more than 10,000 signatures on petitions requesting him to make the race. He also was tendered a post in the United States Consular service at Montreal. All of these he turned down, for as he himself expressed it, "Teaching is a profession for which I have the greatest liking. I have always considered it a privilege and a pleasure to associate with young people and have the opportunity to help them in the building of their lives."

²⁵ Marion S. Hagen is a special representative for the Bureau of Costume Art. Her address is % National Retail Dry Goods Assn., 225 West 34th St., New York City.

²⁶ Announcements have been received of the marriage of Kathleen E. Hely to Harry B. Cochran of Kennewick, Wash., May 16. Mrs. Cochran taught school in North and South Dakota previous to her leaving for Washington.

²⁷ The marriage of Harold Busdicker and Alice V. Gehrke was announced April 8, 1928. Mr. Busdicker was a member of Sigma Chi and Phi Delta Phi fraternities while at the University and is now connected with the Straus Clothing Company at Valley City. Mrs. Busdicker was a member of the Pi Beta Phi sorority.

HENRY SEIDEL CANBY, *Chairman*

ERE are some interesting and pertinent data for the intelligent book-reader, who for one reason or another finds he does not read as many of the new books as he would like to. It is a list of the books the judges of the Book-of-the-Month Club have chosen as the "book-of-the-month," aside from those they have recommended, in the last three years. Here they are, going backward from June, 1929.

In addition to this list, *between six and seven hundred books* during the last three years have been reported upon and recommended by our judges. Our subscribers did not have to take any one of the books above, but could have taken one of these alternates. An average of one-third of our subscribers—thirty-five thousand every month—either do this or avail themselves of the privilege of taking no book at all, when none of those reported upon appeal to them.

It should be remembered also that sometimes a worthy book has not been chosen in a particular month, but could only be strongly recommended as an alternate, because our five judges felt that there was some other *more* worthy book, in their opinion, which should be chosen.

This list, we believe, is one to be proud of. Our judges are human. They have made some mistakes in their choices, and know it. But, on the whole, we feel their record is a remark-

able one,—and completely refutes the few critics who have been absurdly barking at them, for the last three years, on the ground that they are popularizing "cheap" books, with no literary merit. And when it is considered that 35,000 of our subscribers every month either take one of the alternate books reported upon, or none at all,—the further criticism that they are "standardizing" reading, and are leading our subscribers by the nose, also shows up, clearly, for the kind of twaddle that it is.

In this connection, here is an interesting fact: One of the leading publishers in the United States goes around telling people that, since the Book-of-the-Month Club started, it is far easier for publishers and booksellers to sell worthy books than ever before; in other words, that one clear effect of this new development in the book world is *that the standard of best-sellers has been raised!* We believe many publishers would agree with this.

What, as an individual book-reader, do *you* gain if you subscribe to this organization? There are many advantages, but this is the chief one: the system of advance reports by our judges insures you once for all against missing important new books you would like to read. The practicality and convenience of this system are unquestionable and it costs you nothing, because *your only obligation is to take four books a year at the regular retail price.*

"How can you afford this?" is a question often asked of us. Simply enough. With 100,000 subscribers, the differential between the retail price you pay and the purchase price from the publishers, covers the enormous costs of this service, and still leaves a sufficient profit to the organization to conduct the business—just as any bookseller conducts his business, without charging a fee. Without so many subscribers, of course, it would be impossible to do the many things for subscribers we are able to do—such, for instance, as allowing them to return books, if they feel they have been misled by our judges' advance report.

Find out in detail how this unique and simple system operates. Send the coupon below for full information. It will obligate you to nothing, of course. Of the present 100,000 subscribers, incidentally, every one subscribed simply after reading the facts in the booklet. Not a single one was visited by a salesman, or induced to subscribe by personal solicitation of any kind. That is a fact, too, which speaks volumes.
