Honorable William Langer
Governor of North Dakota
Bismarck, North Dakota

Dear Sir:

Your letter of November 16 addressed to the California State Journal, San Francisco, California, has been referred to this organization for reply.

Our monthly publication, California Journal of Development, has been published regularly for many years and we do not believe that you refer to it as you speak of Volume I having been received by you recently. We suggest that you refer to the California State Journal for a more complete address as we are unable to locate the publication for which your communication was intended.

Yours very truly,

(Handwritten signature: A. M. Caya)
