March 10, 1934

Honorable William Langer
Governor of North Dakota
Bismarck, North Dakota

My dear Governor Langer:

Many thanks for your letter of March 2, which I placed on the air in one of my radio discourses over W C F L, the Voice of Labor. Thinking you might be interested, I am enclosing a copy of this discourse.

On Tuesday of this week a crowd estimated to number at least fifteen or twenty thousand turned out at the noon hour to petition the editor of the Chicago American to give publicity support to the bondholders' request for constructive federal legislation. This will indicate to you the great interest that our people have in this matter. Your support is most thoroughly appreciated, and I trust that a number of our people have taken the time to write you their thanks.

With best personal good wishes, I am

Cordially and sincerely,

Barratt O'Hara
