Purposes.

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That, if within six months from the date of its enactment the Three Affiliated Tribes of the Fort Berthold Reservation accept the provisions of this Act by an affirmative vote of a majority of the adult members, the sums herein provided for shall be made available as herein specified; and all right, title and interest of said tribes, allottees and heirs of allottees in and to the lands constituting the Taking Area described in section 15 (including all elements of value above or below the surface) shall vest in the United States of America.

SEC. 2. The fund of \$5,105,625 appropriated by the War Department Civil Appropriation Act, 1948 (Public Law 296, Eightieth Congress), shall not lapse into the Treasury as provided therein, but shall be available for disbursement under the direction of the Commissioner of Indian Affairs, Bureau of Indian Affairs, United States Department of the Interior (hereinafter called the "Commissioner") for the following purposes:

(a) Payment for tribal and allotted Indian lands and improvements, including heirship interests, and values above and below the surface, within the Taking Area;

(b) Costs of relocating and reestablishing the members of the tribes who reside within the Taking Area; and

(c) Costs of relocating and reestablishing Indian cemeteries, tribal monuments, and shrines within the Taking Area.

Any unexpended balance remaining from the said fund of \$5,105,625 after the completion of the purposes set forth in subsections (a), (b), and (c) shall remain in the Treasury to the credit of the tribes.

SEC. 3. There is hereby established a board of appraisal which shall consist of one member designated by the Secretary of Agriculture, one member designated by the Secretary of the Interior, and one member designated by the Chief of Engineers. It shall be the duty of the board to prepare an appraisal schedule of the tribal and individual allotted lands and improvements, including heirship interests, located within the Taking Area. In the preparation thereof, the board shall determine the fair value of the land and improvements, giving full and proper weight to the following elements of appraisal: Value of any tract of land, whether full interest or partial interest, including value of standing timber, mineral rights, and the uses to which the lands are reasonably adapted. Upon completion of the said schedule of appraisal it shall be submitted to the Chief of Engineers.

SEC. 4. Upon receipt of such schedule of appraisal by the Chief of Engineers, he shall transmit to the tribal council the schedule of appraisal in its entirety and such portions of the said schedule to individual Indians as relate to their respective interests. The tribal council and the interested individual Indians shall have ninety days from the date of receipt of such schedule of appraisal in which to present to the Commissioner their objections, if any, for consideration and action thereon.

SEC. 5. The right of the tribes and of the allottees and heirs of allottees to accept or reject the appraisal covering their respective property is reserved to them. Upon the rejection of the appraisal affecting the lands or the respective interests, the Department of the Army shall institute proceedings in the United States District Court for North Dakota for the purpose of having the just compensation for such property judicially determined. Any judgment entered against the United States in such proceedings shall be charged against the said fund of \$5,105,625: *Provided*, That if said sum should be inadequate to cover the purposes provided for in section 2 (a), (b) and (c) hereof, and such judgments as may be obtained in such proceedings, then the amount in excess of the said fund of \$5,105,625 shall be paid out of the \$7,500,000 provided for in section 12 hereof.

SEC. 6. In all proceedings instituted in accordance with section 5 of this Act, individual members of the tribes may request the Commissioner of Indian Affairs to designate attorneys of the Bureau of Indian Affairs to represent them.

SEC. 7. The amount determined to be due the individual allottees and other individual Indians shall be deposited to the credit of such individual Indians in their individual Indian money accounts.

SEC. 8. The tribes and the members thereof may salvage, remove, reuse, sell, or otherwise dispose of all or any part of their improvements within the Taking Area without any deduction therefor in the appraisal schedule to be prepared by the Commissioner, subject to the condition that the district engineer, Garrison district, may not enter for the purpose of clearing the said improvements until at least October 1, 1952, and subject further to the condition that the district engineer shall serve notice of such purpose at least three months prior thereto.
