Thank you...

from Sigma Delta Chi to the many persons and organizations who have assisted in the production of the 1952 Flickertail Follies, especially to the local advertisers whose patronage made possible the free distribution of this program.

A Tradition...

“...It was the intention of the Follies this year to furnish a precedent for future years and because of the quality of the production and the absolute freedom from anything of an objectional nature, it is highly probable that it will become one of the University’s traditions.”—DACOTAH ANNUAL, 1926

That statement concerned the first Flickertail Follies, April 1-2, 1925. And since that date, the foresight of the editors of the 1926 Daecotah has proved remarkably accurate.

Since the North Dakota Undergraduate Chapter of Sigma Delta Chi, professional journalism fraternity, conceived the Follies 27 years ago, 19 shows have passed before the stage lights. And the push of Sigma Delta Chi’s management and student enthusiasm still has realized a standard that is now nationally recognized.

The initial performance in 1925 drew “...many letters and words of congratulations and appreciation from faculty members and citizens of Grand Forks,” according to the Dacotah of 1926. The production continued with greater successes until 1932 when it was suspended as a part of the University’s economy program during the depression. The hibernation lasted until 1935 with new vigor added the following year with the approval of combined acts.

In 1941 the Sigma Delta Chi managers found a general lack of interest both on campus and in the city and the show was cancelled. The managers pointed out in an article in the Dakota Student they would take no chance of “endangering the reputation and future of the production by a poor show...” Then World War II intervened and the Follies closed down until 1946 when a new spark brought back what has proved to be one of North Dakota’s top entertainments.

Thus, we, students of the University of North Dakota, with the assistance of alumni and friends, attempt to add to the tradition of quality, and we proudly throw out our chests for the production you are about to see.—IML
