R.E. RICHARD AURAS

Dear Sirs:

This is to inform you that the above captioned entered this college March First 1940 and attended school regularly until December 1941 at which time he was interned by the Federal Government.

In his behalf I wish to state that he was a good conscientious student and upon closest observation did not at any time find him guilty of misconduct, nor did he either by word or action lead me to suspect that he was an enemy alien.

Very truly yours
