To Whom It May Concern:

This is to verify that I have known RICHARD AURAS, now interned as an alien enemy at Bismarck, North Dakota. Prior to his internment, I spoke to him on several occasions, but at no time did he voice ~~g~~ his opinion, which in any way or form could have been construed as being an enemy of the United States or our form of Government. It is my firm belief that subject is not dangerous alien enemy, and if given the opportunity, would make a loyal American Citizen.
