3.

Mr. Chute brought greetings to the Senate from Mr. Lee who is attending a meeting in Chicago, and he made the following announcements:

- 1) Arne Selbyg has been elected Chair of the State Council of College Faculties.
- 2) The Senate Executive Committee has made an editorial change in the Committee Manual under membership of the Special Review Committee. In order to be consistent with the regulations on Academic Freedom, Tenure and Due Process, passed by the Senate on March 1, 1984, the number of faculty was changed from 20 to 30 tenured faculty.
- 3) The Senate Executive Committee has requested the Chair to appoint an ad hoc committee for implementation of procedures regarding approved Board Policy # 612, Faculty Grievances. The appointed committee members will be notified in the near future and an announcement will be placed in the University Letter.

4.

The Chair recognized Sheryl O'Donnell who moved adoption of the following resolution:

The success of any organization requires the diligent and unselfish effort of its leadership, leadership which can only be provided by substantial sacrifice of time and energy in the work of the organization. By this Resolution, the Senate of the University of North Dakota recognizes, and expresses its gratitude for, the leadership provided the 1983-84 University Senate by its Chair, Sharon Lambeth. The Secretary is directed to send copies of this Resolution to Sharon Lambeth, to her academic dean, and to the President of the University.

December 6, 1984.

The motion was seconded, voted upon and carried by a vote of 49 for, 2 abstaining and 1 other.

5.

The Chair recognized Ralph Kolstoe who moved adoption of the following resolution memorializing Florence Clifford:

Florence Schmidt Clifford died on Wednesday, December 5. She has been associated with UND since 1938: as student, wife to now President Thomas Clifford, and faculty member in the music department.

The University and Grand Forks community have listened to her concerts, enjoyed her hospitality, and been warmed by her generous volunteer work, especially among cancer patients. In 1982 she began compiling a family history by asking relatives of her parents' generation about their parents, German immigrants of the 1880's from Russia. In addition to giving pleasure to her family, these interviews will contribute in an important way to North Dakota's efforts to record community history.

Florence Clifford wrote:

My love affair with music began when I heard the band march by during the Fourth of July parade. I think the band was playing a march featuring the trombone, and I remember standing there watching and listening and feeling a big lump inside my throat and my eyes starting to water. I was only about five years old.

Writing about her grandmother Rosina Schmidt, Florence said, "She always treated us as though we were important. If we got bored in church, she folded her handkerchief in such a magical way that a pair or twins swimming in a hammock would appear." One of Rosina Schmidt's German sayings was "A short thread, an ambitious girl -- a long thread, a lazy girl." Florence Clifford sewed with short threads.

We grieve for a colleague and friend, and move a resolution in appreciation of her life, sorrow at her death, and warm sympathy to her family.

Mr. Schubert seconded the motion which was voted upon and carried unanimously.

Mr. Kolstoe stated that the resolution was composed by Elizabeth Hampsten.

Because of the traumatic and tragic events of the past week at UND, the Chair requested the Senate to pause for a moment of reflection.

6.

Mr. Schubert moved that the minutes of the October 4, 1984, meeting be approved as distributed. Mr. Ludtke seconded the motion which was voted upon and carried by a vote of 50 for and 2 abstaining.

7.

Mr. Wermers presented the tentative list of Candidates for Degrees in December, 1984, and moved that the list be approved for recommendation to the State Board of Higher Education for the awarding of the degrees indicated, upon satisfactory completion of the work of the present semester. Ms. Davies seconded the motion which was voted upon and carried unanimously. (See attachment # 1.)

8.

Ms. Davies presented the annual report of the Student Policy Committee and moved that the Senate receive the report. Mr. Jacobsen seconded the motion which was voted upon and carried by a vote of 51 for and 1 abstaining. (See attachment # 2.)

9.

Mr. Pynn presented the annual report of the Honorary Degrees Committee and moved to file the report. Mr. Bostrom seconded the motion which was voted upon and carried unanimously. (See attachment # 3.)

10.

Ms. Hampsten moved to file the annual report of the Standing Committee on Faculty Rights. Mr. O'Kelly seconded the motion which was voted upon and carried unanimously. (See attachment # 4.)

11.

Mr. Frien moved that the Senate receive the annual report of the General Education Requirements Committee. Mr. Jacobsen seconded the motion which was voted upon and carried by a vote of 51 for and 1 abstaining. (See attachment # 5.)

12.

Mr. Antes moved to file the annual report of the Library Committee. Mr. Henry seconded the motion which was voted upon and carried unanimously. (See attachment # 6.)

13.

Mr. Akers moved that the meeting adjourn. The motion was seconded, voted upon and carried unanimously and the meeting adjourned at 4:22 p.m.

**REPORT TO UNIVERSITY SENATE**  
1983-1984

The Student Policy Committee (SPC) met weekly during the year (16 meetings). SPC is comprised of ten members: five students and five faculty. Secretary to SPC is Patricia M. Nies. Members of the Committee for 83-84 were:

Students: Cynthia Davies (chair), Mike Wagner, Kristal Bennett, Dave Pudwill, and Jeanne Backora

Faculty: Linda Ochs (Vice-Chair), LaVernia Jorgenson, Tim Messenger, Lois Oechsle, Pat Millar

**CONSTITUTIONS/REVISIONS APPROVED:**

One of the functions of SPC is recognizing student organizations by approving their constitutions and constitutional modifications. The following groups had constitutions approved in 83-84: UND Yoga Club, Golden Feathers, Pi Sigma Alpha, Semper Fidelis, Bowling Club, University Bible Studies Organization, Common Ground, Right to Life, Association of Student Investors.

**ACTIONS TAKEN:**

1. SPC approved the adding of the word "handicap" to the list of prescribed terms in its guidelines for constitutions. It now states that all organizations should be open to all students, without respect to race, sex, creed, national origin, or handicap.
2. SPC approved an addition to constitutional guidelines which requires all student organizations' vouchers to be signed by their UND advisor along with another officer.
3. Amendment to Code of Student Life. SPC proposed to University Senate an amendment to the Code dealing with Section 7-3, Scholastic Standards. The Student Policy Committee's proposal was referred to the Senate's ad hoc Committee on Academic Grievance Procedure.

**UNFINISHED BUSINESS OR BUSINESS IN PROGRESS:**

1. Discussion of Section 2-3, A & B of the Code on religious and political activity on campus.
2. Solicitation policy on campus as reflected in the Code; more clarification is needed.
3. The role of UND faculty/staff advisors to student organizations and the question of whether there is a need for "coach" to be separate from "advisor" in some instances.
4. The rights and responsibilities of the general election campaigner on campus.
5. Discussion on the alcohol policy and corporate sponsorship on campus.
6. Discussion on procedures for annual review of constitutions.

The committee met three times during the academic year.

The committee concerned itself, for the most part, with three issues: library automation, the widening gap between the costs of materials and the financial resources to acquire/maintain them, and the possible uses of the Chester Fritz bequest to the Library.

1983/84 | The matter of automating library functions--particularly the public access catalog--was given continued attention. Although generally considered desirable, the matter is unresolved due primarily to absence of funding and unresolved technical and political issues on the regional and national scenes. Consideration will continue into the 1984/85 year.

It was pointed out to the Committee by the Director that as a result of constant funding levels from the 1982/83 through the 1984/85 fiscal years, the ability to acquire and maintain materials--periodicals in particular--has been seriously impaired. The Director expects a deficit of about \$50,000 in the periodicals budget at the close of the 1984/85 year, to affect January, 1986 purchases (renewals, new titles, and cancellations). The Committee commenced discussions on how best to plan for this eventuality. Consideration will continue into the 1984/85 year.

It is expected that the Library will receive up to 2.25 million dollars as bequest from Chester Fritz, UND benefactor. The Committee began reviewing guidelines, drafted by Library staff, covering possible expenditure categories and priorities. It is generally agreed that the principal should remain intact; only the interest generated should be used for program expenditures. Consideration will continue into the 1984/85 year.
