Kersey E. Gowin,

Minot, N. D.

Dear Mr. Gowin:

I am enclosing herewith letters from James Halsey, Sr., of Crosby, an anonymous letter from Noonan, letter from Th. O. Oprata of Colgan, and letter from A. L. Larson, P. O. Box 75, Hamlet, all in re fixing law violations.

I have sorted out all letters that have come in reporting law violations by counties with the idea that in future whenever you folks go to any special section of the state the letters received in re that part of the state could be forwarded to you. Of course, some of the tips contained in these letters may not be of any value and then again there might be tips in some of them that would be good leads for you to follow up.

Please let me know sometime when convenient if you think this plan would help you, if so, mention any special counties (or towns) you would like dope on. If you do not want such damaging evidence around let me know and I will not send any more.

Sincerely

Willa E.
