Mr. W. E. Potter
Army Engineers' Office
National Defense Building
Pentagon
Washington, D. C.

Dear Mr. Potter:

Supplementing our telephone conversation this morning, I am enclosing a copy of the letter written to Colonel F. H. Albrecht, with reference to the water and sewer utility problem of the villages which will be relocated, due to the flooding of their present sites in connection with the building of the Garrison Dam.

Copies of the enclosed letter have been sent to five other Congressmen, and we should appreciate it if you will inform us, either by letter or telephone, of the position taken by the Corps of Army Engineers in regard to the project.

Very truly yours,

Departmental Secretary to
Congressman Burdick
