MINUTES OF THE SENATE EXECUTIVE COMMITTEE
May 8, 1987

1.

The Senate Executive Committee was called to meet at 1:00 p.m. on Friday, May 8, 1987, in room 205, Twamley Hall, in regard to the professional Law and Medical School Candidates for Degrees in May, 1987, who were not included with the list of candidates approved by the Senate on May 7, 1987. Paul Schwartz presided.

2.

Members present were: Paul Schwartz, David Ramsett, Ed Chute, Glinda Crawford, Kay Oring and Alice Clark.

3.

Mr. Chute moved that the attached lists of candidates for the degrees of Doctor of Medicine and Juris Doctor be approved for recommendation to the State Board of Higher Education upon satisfactory completion of the work of the present semester. Ms. Oring seconded the motion. The Chair stated that there being no objection, the vote would be recorded as a unanimous roll call vote. (See attachment.)

4.

Ms. Clark stated that the Office of Institutional Research calculated the response rate for the most recent administrative evaluation. The response rates were put together in table form and a handout distributed. The poor response rate seems to indicate that administrative evaluation may be insignificant. Because administrative evaluation is a University Senate requirement, it was recommended by the Council of Deans that the Senate consider the value and evaluate the administrative survey for possible elimination.

Mr. Schwartz said that the Senate Executive Committee would consider this item for referral to the Senate in the fall.

5.

Mr. Ramsett moved adjournment. The motion was seconded. There being no objection, the meeting adjourned at 1:15 p.m.
