Lost Bridge

March 21, 1952.

Mr. S. W. Thompson,  
State Highway Commissioner,  
Bismarck, North Dakota.

Dear Mr. Thompson:

I have your letter concerning the proposed construction of a highway extension from Killdeer north to meet the Indian road at Lost Bridge.

Mr. John Hart was in the office this morning, and we talked over this matter for a short time. I understand that it is planned to have a conference at a later date at which time the matter of securing funds for building this extension will be discussed.

I would be in favor of building this road if it does not run into too much money. I think the Indians are entitled to a good road to get in and out of the area where they are being forced to relocate.

Very truly yours,

Usher L. Burdick, M. C.
