Bismarck, N.D.

Dear Sir:

Since receiving your letter dated December 15th, I have been expecting to be called to an interview with Mr. Lindstrom.

There is no doubt a good reason for the delay but now that a special session of Legislature is to convene I suppose he will be in the city and I thought I would just call this case to your attention for crowded with work as you are I felt it might be possible for you to overlook this.

Will you let me hear from you regarding this at your very earliest convenience as I am anxious that something may be done.

Thanking you for the trouble to which you have already put yourself, I remain,

Yours sincerely,

E. Marshall.

Ensign.
