General C. H. Chorpening
Assistant Chief of Engineers
for Civil Works
Department of the Army
Washington 25, D. C.

Dear General Chorpening:

This acknowledges your letter of March 12, setting forth the information concerning the loss of power at Garrison Reservoir if the operating pool were maintained at levels of 1830 or 1840 feet, as compared with 1850.

I very much appreciate your courtesy and promptness in furnishing this data, and want to thank you for giving my request your immediate attention.

Very truly yours,

Usher L. Burdick, M.C.
