Hon. Wm Langer.

Attorney General.

Dear Mr. Langer.

We are no doubt in a worse position than any other part of the State in respect to the Liquor Law, as we are so near the State line of Montana. So I take this means of asking you if there is special men appointed by you to help carry out the Law to the letter, if there is we need some help in this part of the State, I do not think we would need them only a short time, but they will sneak it in here in Cars, now if there is any way that you can help us out to get a few of those fellows, I think then that it would scare the rest. This is a personal request, and if you can help us at the expense of the State, that booze element will soon find out that the State means to do away with the Booze business.

Hoping to hear from you soon.

I am Respectfully.

*S. A. Smith.*
