Hon. Martin Cross
Elbowoods, North Dakota

Dear Martin:

I have your very nice letter of recent date and was so very sorry that I had to rush back to Washington without stopping off in North Dakota because I certainly would like to have seen you.

We are battling away down here on the Garrison Dam matter and I will keep you informed of any new developments. One thing is certain, they are never going to build that dam without first paying for that land. When they once get the land it will be a long time before they get the money - and the time to get that settled is now.

I will do all I can to help.

With kind regards and all good wishes for a Happy Holiday Season, I am

Sincerely,

WL:sig
