CORPS OF ENGINEERS, U.S. ARMY  
OFFICE OF THE DISTRICT ENGINEER  
GARRISON DISTRICT  
RIVERDALE, NORTH DAKOTA

ADDRESS REPLY TO:  
DISTRICT ENGINEER  
GARRISON DISTRICT  
CORPS OF ENGINEERS  
RIVERDALE, NORTH DAKOTA

REFER TO FILE NO.

31 January 1955

Honorable Usher L. Burdick  
House of Representatives  
Washington 25, D. C.

Dear Mr. Burdick:

On or about 1 February 1955 this office proposes to issue Invitation for Bids No. CIVENG-32-015-55-40 for Lawn Construction in the Fort Berthold Indian Reservation, New Town, North Dakota and Invitation No. CIVENG-32-015-55-41 for construction of the East Abutment Grout Curtain, Garrison Dam and Reservoir Project.

The work involved in connection with the lawn construction will consist of topsoiling, fertilizing, tilling and seeding lawn areas in New Town, North Dakota, and in the Western, Eastern, Southern and Northeastern Segment Sub-agencies in the Fort Berthold Indian Reservation, North Dakota. The whole work will be divided into five schedules and bids may be submitted on any one or more of the five schedules. Bids on this project will be opened on or about 1 March 1955.

The work involved in connection with the East Abutment Grout Curtain will consist of an estimated 65,000 lineal feet of drilling and 20,000 cubic feet of pressure grouting. Bids on this project will be opened on or about 15 March 1955.

There is inclosed an advance notice on each of the aforementioned projects which briefly describes the work to be done and the location in which the work is to be performed. An advance notice has been mailed to all parties known by this office to be interested in bidding on this work.

Should you require additional information concerning either of these two projects or any other phase of construction of the Garrison Dam, do not hesitate to contact this office.

Sincerely yours,

H. L. HILLE  
Colonel, Corps of Engineers  
District Engineer

31 January 1955

Honorable Walter I. Fardick  
 House of Representatives  
 Washington 25, D. C.

Dear Mr. Fardick:

On or about 1 February 1955 this office proposes to have invited bids for bids No. CIVENG-32-013-55-40 for lawn construction in the Fort Berthold Indian Reservation, New Town, North Dakota and invited bids No. CIVENG-32-013-55-41 for construction of the East Abundant Grant Curtains, Garrison Dam and Reservoir Project.

The work involved in connection with the lawn construction will consist of sodding, fertilizing, tilling and seeding lawn areas in New Town, North Dakota, and in the Western, Eastern, Southern and Northeastern segments of the Fort Berthold Indian Reservation, North Dakota. The whole work will be divided into five scheduled bids and bids may be submitted on any one or more of the five scheduled bids on this project will be opened on or about 1 March 1955.

The work involved in connection with the East Abundant Grant Curtains will consist of an estimated 65,000 linear feet of drilling and 30,000 cubic feet of pressure grouting. Bids on this project will be opened on or about 15 March 1955.

There is included an advance notice on each of the aforementioned projects which briefly describes the work to be done and the location in which the work is to be performed. An advance notice has been mailed to all parties known by this office to be interested in bidding on this work.

Should you require additional information concerning either of these two projects or any other phase of construction of the Garrison Dam, do not hesitate to contact this office.

Sincerely yours,

H. L. HILL  
 Colonel, Corps of Engineers  
 District Engineer

Office of the District Engineer  
Garrison District  
Riverdale, North Dakota

17 January 1955

SUBJECT: Advance Notice; East Abutment Grout Curtain - Section  
III B, Garrison Dam and Reservoir Project

TO: Prospective Bidders and Others Concerned

1. General. This office proposes to issue Invitation for Bids Serial No. CIVENG-32-015-55-41 on or about 1 February 1955 for the construction of a portion of the grout curtain on the east abutment of the Garrison Dam. Bids will be opened on or about 15 March 1955.
2. Location. The site of the proposed work is located in Twp. 146N, Range 84W, McLean County, North Dakota, approximately 75 miles northwest of Bismarck, North Dakota; 65 miles southwest of Minot, North Dakota; and 1 mile west of Riverdale, North Dakota.
3. Description of Work. The contract work consists of an estimated 65,000 lineal feet of drilling and 20,000 cubic feet of pressure grouting. Drilling to depths greater than 250 feet will not be required.
4. Completion Time. The Contractor will be required to commence work not later than 15 April 1955 and to complete the entire contract work not later than 15 November 1955.
5. Bond Requirements. A bid bond on U. S. Standard Form No. 24 in a penal sum of not less than 20 percent of the bid price will be required with each bid. A payment bond and performance bond will be required of the Contractor at the time the contract is executed.
6. Liquidated Damages. A provision will be included in the contract for assessment of liquidated damages for failure to complete the contract work in the specified time.
7. Drawings, Specifications and Bidding Papers. Drawings, specifications and bidding papers will be furnished by this office without deposit upon request. A maximum of three (3) sets will be furnished any one bidder. Inclosed is a form for use in requesting drawings, specifications and bidding papers. Drawings and specifications will be on file for inspection in this office and

will also be available for inspection when issued at the following offices of the Corps of Engineers:

Omaha District	1709 Jackson Street	Omaha 2, Nebraska
Kansas City District	601 Davidson Building	Kansas City 8, Missouri
Fort Peck District	Administration Building	Fort Peck, Montana
St. Paul District	1217 U. S. Post Office	St. Paul 1, Minnesota
