Mr. Leonard R. Trainer, Director,
Food Distribution Programs Branch,
Production and Marketing Administration,
Department of Agriculture,
Washington, D. C.

Dear Mr. Trainer:

You will find enclosed a resolution recently received from the Advisory Committee of the Turtle Mountain Chippewa Indians which is self-explanatory.

Present indications are that North Dakota is in for another hard winter. It would be very unfortunate indeed if the Indian tribes there would be forced to undergo the same hardship and suffering they did during the last winter; especially as I understand your department has a large quantity of the surplus foods for distribution.

I hope you will make every effort to see that the needs of these folks are taken care of, as far as it is within your power.

Thanking you, I am

Yours very truly,

Usher L. Burdick, m.c.
