## PREFACE

The purpose of this sixth volume of the Work Papers series is to make available in a pre-publication draft certain papers, word lists, and language texts.

Included are articles on Western Bukidnon Manobo (Philippines), Tairora (New Guinea), Northern Paiute (U.S.), and iLyamba (Tanganyika), word lists from Tagalog (Philippines) and Amis (Taiwan), and texts from Amis (Taiwan), Tairora (New Guinea), and Northern Paiute (U.S.). There are also some notes on the preparation of linguistic papers for publication.

Since these materials are only manuscripts in tentative draft and are not published articles, no public reference to them nor quotation from them should be made without permission from the respective authors.

We are grateful to the authors who have allowed us to preserve their manuscripts in this way, and hope that they will see the manuscripts through to ultimate publication.
