Deering, North Dakota

Dear Mrs. Chilson:

I was very glad to get your recent letter in regard to the Garrison Dam Project.

Let me assure you that I will do everything within my power to see that the rights of the Indians who will lose their homes are properly safeguarded.

The final decision on this question has not been reached, and the matter is still under consideration by the War Department and the Department of the Interior.

I am keeping in close touch with the situation and will leave no stone unturned to see that the Indians get justice.

With kindest regards and best wishes, I am,

Sincerely,

WL:fs
