The following announcements were made:

- a. President Kelley thanked Mr. Zerr for his leadership during the 2013-14 academic year and presented him with an appreciation plaque.
- b. Mr. Zerr thanked everyone for their service, especially committees and committee chairs.

- c. Mr. Zerr called attention to the new governance proposal from the subcommittee on Shared Governance Structure. The proposal can be found on the Senate website. The posting of the proposal is an opportunity to provide feedback. There will be an open forum on May 12<sup>th</sup> in the Lecture Bowl. Another forum will be scheduled in the fall. All feedback will be used to refine the proposal. Ultimately, there will be a vote on the final proposal. The vote will be either at the Senate level or at the University Council level. That procedure is yet to be decided.
- d. Mr. Zerr announced replacements for committee membership: Legislative Affairs, Nancy Vogeltanz-Holm; Compensation, David Lawrence; Faculty Instructional Development, Claudia Routon and Clement Tang; Conflict of Interest, Andre Kehn.
- e. Mr. Zerr announced the Senate actions that had been approved by President Kelley: Intellectual Property Policy changes, Tenure and Promotion policy changes in the Faculty Handbook, and the Senate Committee changes approved at the March 6 Senate meeting.
- f. Tom Steen spoke regarding program review for the Essential Studies program. The Essential Studies program was implemented in 2008 with the expectation of program review. The program review is scheduled for September 4-5, 2014. There will be a program review team that will visit campus at that time. The team will consist of five faculty and students from on campus and two experts from off campus. There will be more details forthcoming.
- g. Nick Creamer introduced the new Student Body President, Tanner Franklin, and Brett Johnson, new Student Body Vice President.

5.

Mr. Zerr called attention to the minutes of the April 3, 2014 meeting. There were no additions or corrections to the minutes. There was a motion of approval by Mr. Munski. Mr. Towne seconded and the minutes were approved as distributed.

6.

The question period was opened at 4:16 p.m.

Mr. Poochigian asked about the position description form and asked what content should be included. He also asked if an item has not been completed are faculty legally liable and, thus, in violation of their contract. Mr. DiLorenzo indicated his understanding is that the document would contain the plan for the upcoming year and then the faculty member would be evaluated at the end of the year based on that position description. Mr. Towne and Ms. Mikulak spoke about the variation across campus and the need for definition. Mr. DiLorenzo commented that the document is a roadmap that should be as specific as it can be and perhaps the Senate should put together a group next year to look into this. Debbie Storrs spoke to her goals for her college on this matter. Professor Luber was recognized to speak to the matter and explain his understanding.

The question period closed at 4:26 p.m.

7.

Mr. Zerr called attention to the annual reports from the Budget, Restructuring & Reallocation Committee and the ROTC Committee. A motion was made by Ms. Rakow to accept and file the reports. There was a second by Ms. Smart and the motion was approved.

8.

Mr. Zerr called attention to two matters that were not approved for the agenda:

- a. Regarding the Conflict of Interest Policy, there was a procedures section of the document that was presented to the Senate previously that should

really be part of the policy portion. Ms. Stone moved to add this matter to the business calendar. There was a second by Mr. Munski and the motion was approved.

- b. Mr. Rice moved to add the issue of the Teacher's Oath to the U.S. and N.D. Constitutions as mandated on faculty contracts to the business calendar. There was a second by Ms. Mikulak and the motion was approved.

9.

The Candidates for degrees at Spring Commencement were presented. Mr. Zerr indicated there were two approved additions: Andrew Vigen and Francine Sletten. Mr. Harsell moved approval with the additions. Mr. Creamer seconded the motion and the spring graduation list was approved.

10.

The Curriculum Committee report was reviewed. There was a motion to approve the report by Mr. Towne. A second was made by Ms. Baker and the motion was approved.

11.

Mr. Zerr called attention to requests to dissolve three Senate committees: The first was the recommendation to dissolve the Student Policies Committee. It was moved by Mr. Munski to dissolve the Student Policies Committee. The motion was seconded by Mr. Towne and approved. The second was the recommendation to dissolve the ROTC committee. It was moved by Ms. McHenry and seconded by Mr. Dewar to dissolve the ROTC Committee. Discussion ensued. The chair of the ROTC Committee, Thad Rosenberger, answered questions regarding the recommendation. The vote was taken and the motion was approved. The recommendation to dissolve the Summer Sessions Committee was moved by Mr. Munski. It was seconded by Ms. Walker and approved.

12.

Recommended changes to the charge of the Continuing Education Committee and a change of name to Online & Distance Education Committee were presented. There was a motion to approve by Ms. Barkdull, chair of the Committee, and a second by Ms. Combs. The motion was approved.

13.

Regarding the Conflict of Interest Policy, a request to move the placement of the section "Management, Enforcement and Employment Conditions" from the procedures section to the policies section was reviewed. Mr. Munski moved approval. Ms. Hillebrand seconded and the motion was approved.

14.

Mr. Zerr raised the issue of the faculty oath as required in the N.D. Century Code. It was moved to recognize Kara Wettersten. Ms. Wettersten explained that all faculty must sign an oath or affirmation of the U.S. Constitution and N.D. Constitution as included in the faculty contract. There are concerns regarding areas in the N.D. Constitution that some faculty cannot support. Two matters of concern are: 1) in the preamble, concerning separation of church and state; and 2) Article 11, Section 28 regarding definition of marriage. Ms. Wettersten spoke of concerns regarding the requirement. Mr. Towne moved that any oath or affirmation to support the N.D. Constitution (required as a condition of employment) include a statement that the individual employee or potential employee has the right to make a "conscientious objection" to that oath, and space for an individual to do so as part of the contract or separate oath/affirmation paperwork. Such an objection may include such language as (provided here only as a possible example):

"I affirm the North Dakota State Constitution in general, but I reserve support for provisions therein (a) that, in my view, are contestable in light of the United States Constitution and my rights as a United States Citizen, and (b) that I oppose on moral grounds. Specifically, [insert area/section of concern]."

The motion was seconded Mr. Shafer. Discussion ensued. Mr. Murphy was recognized to speak and he suggested the matter could be referred to the Council of College Faculties and the matter would be handled through all NDUS faculties. He would be willing to take the matter to CCF as a UND member. Ms. Evans, General Counsel, was recognized and she explained that, based on the Century Code, the motion is not possible to do under the law. Discussion continued. Mr. Towne made a friendly amendment to his motion and it was agreed to by Mr. Shafer. There was discussion of the amended motion.

15.

Mr. Munski made a motion to extend the meeting until 5:45 pm. Ms. Mikulak seconded and the motion was approved.

Discussion continued. Caution was urged by Mr. Harsell and Mr. DiLorenzo. It was clarified that the U.S. Constitution and the N.D. Constitution work together, but the U.S. Constitution does not trump the N.D. Constitution. Mr. Towne amended his motion to remove the State Board of Higher Education and the N.D. Attorney General and substituted the Provost for Administration. Mr. Shafer did not accept the amendment. Mr. Thorson seconded the amended motion. Mr. Murphy was recognized to speak regarding CCF involvement.

16.

Mr. Munski made a motion to extend the meeting until 6:00 p.m. Mr. Towne seconded and the motion was approved.

Discussion continued. Ms. Wettersten presented a rationale for the motion. Mr. Towne adjusted his motion to include some additional specificity. The adjustments were accepted by Mr. Thorson, the second to the motion. The question was called, the motion was approved.

Final Motion:

We move and urge that the Provost of the University of North Dakota and the Council of College Faculties review the proposal that any oath or affirmation to support the North Dakota Constitution (required as a condition of employment) include a statement that the individual employee or potential employee has the right to make a "conscientious objection" to that oath specifically related to the separation of church and state and equal protection under the law, and space for an individual to do so as part of the contract or separate oath/affirmation paperwork.

17.

There was a motion regarding transparency in advertisement by Ms. Mikulak and a second by Ms. Combs. Discussion ensued. Ms. Mikulak accepted adding this topic to the Provost's responsibility, as did Ms. Combs. There was a friendly amendment to add the Vice President, School of Medicine and Health Sciences. The friendly amendment was accepted by Ms. Mikulak and the second, Ms. Combs. The vote was taken and the motion was approved.

Final Motion:

We move and urge that the Provost and VPSMHS consider that all advertisements for open faculty or academic positions at the University of North Dakota contain the following specific language:

"As a condition of employment, the University of North Dakota requires United States citizens to make an oath or affirmation of support of the

Constitution of the United States of America and to the Constitution of the State of North Dakota. The following link is provided for you to review the Constitution of the State of North Dakota:

## 2013-14 Senate Budget, Restructuring and Reallocation Committee

## Annual Report

Members: Askim-Lovseth, Dearden, Dewar, DeYoung, Fleshman, Gjellstad, Healy, Myers, Nadeau

The 2013-14 Senate Budget, Restructuring and Reallocation Committee has met at least every other week this year in order to complete our agenda. We have discussed, advised, and made recommendations on the following:

1. The UND Budget Redesign being guided by Huron Education consultants.
  - There are three faculty on the Steering Committee along with administrators [Zerr, Gjellstad, Sun]; we advocated for the addition of the third faculty member for greater faculty input.
  - Huron has updated the committee three times on the budget redesign process. Through these presentations we have come to understand the significant changes that will occur in the way programs and departments are funded; in the job skills and duties of staff and faculty [e.g., department chairs] who are responsible for financial matters.
2. The Program Prioritization initiative being guided by Larry Goldstein.
  - We were consulted on the roll out plans for this process as well as the solicitation of Task Force members.
3. A comprehensive communication plan for the resource allocation initiatives that are being implemented this year.
  - As the committee learned of the Budget Redesign and Program Prioritization initiatives, we have been advocating about the need to inform and educate the campus community about the changes that will be evident in 2014-15 and beyond. We identified that department chairs and faculty may need a different level of education.
  - We acknowledge the change in skill sets and knowledge that will be required of department chairs and have asked questions about how our future faculty leaders will gain the knowledge and skills needed to be effective in those roles. [This task needs to be addressed in the future when it is clear what the knowledge and skills are.]
4. The role of faculty in budgetary and resource allocation matters.
  - At the request of the Senate Executive Committee, the committee has been examining the charge of the committee using a variety of sources.
  - We have consulted with Huron about the governance/decision-making models they have seen that are effective.
  - We have concerns about the lack of representation of some colleges/faculty groups in the current University Senate committee. It is particularly evident in Budget Redesign where there are academic units that are not represented in any of the groups working on the topic.
5. Provide faculty/student consultation on a variety of institutional initiatives.
  - The committee, in whole or in part, has discussed resource allocation matters with the Senate Executive Committee, Provost DiLorenzo, Huron consultants, Program Prioritization consultant, Vice President Walton, Associate Provost Riedy, Associate Vice President Lucke.

 21 November 2013 (Dean Elbert, Dr. Zerr, Dr. Rosenberger)  
 15 April 2014 (Full Committee)

**Accomplishments**

In our September 24<sup>th</sup> meeting the charge made by the Senate Executive Committee (SEC) was presented to the committee. The SEC asked the ROTC committee to review their part of the Committee Manual to: (1) Correct outdated or incorrect language and (2) Suggest additions or deletions to their "Purpose," "Membership," and "Functions and Responsibilities."

*Rationale:* Aside from the desire of the Senate to present factually correct information in its Committee Manual, there may be instances where committee functions have necessarily changed, but for which no attendant alteration has been made to that committee's make-up or functions and responsibilities in the Committee Manual. In addition to this, some committees may identify matters important for the collaborative governance of the University that are consistent with their purpose but which are not specifically described in their section of the Committee Manual. In such instances more clearly defining the committee's role, as well as the membership necessary to carry out that role, will aid the committee to function effectively in the future.

*Action:* Following discussions, subcommittee meetings, and review of relevant Senate minutes regarding the formation and purpose of the ROTC committee we propose the following changes to the committee manual with regard to its Purpose, Membership, and Functions and Responsibilities.

**Proposed changes to ROTC Committee description in University Senate Manual**

1. Purpose Statement: We propose changing the purpose of the ROTC committee to the following. To provide faculty review of curriculum and to provide faculty review of assigned military personnel.

*Rationale for change:* As currently stated the purpose of the ROTC committee is too vague.

2. Membership: We propose the following changes to the membership of the ROTC committee. Reduce the number of faculty assigned to the committee from six to three and the number of student assigned to the committee from two to one.

Rationale for change: Given the difficulty in organizing schedules across campus, reducing membership on the committee will provide more flexibility to complete our business.

3. **Function and Responsibilities:** We propose the changing the function and responsibilities of the committee to the following:

- 1) Approve or disapprove military personnel assigned to the University instructional staff, in the rank of Visiting Professor or Visiting Instructor, as appropriate.
- 2) Carry out an annual review and evaluation of the ROTC curricula (courses) as to content, semester hours of credit, and instructional staff.
- 3) Maintain and keep current committee website.

Rationale for change: Guidance, oversight, and decision involving "all issues regarding the ROTC programs" has been an anomalous task for this committee due to lack of an operating budget and administrative authority. These duties are however the responsibility of the office VPAA, the assigned liaison to the ROTC programs, Dean Elbert (coBPA), and the ROTC cadre. Thus, there is no need for the ROTC program to be assigned these responsibilities. Further in accordance with the 1971 Senate minutes describing the formation and purpose of this committee, curriculum and assigned personnel review, satisfies this charge.

The ROTC committee voted unanimously on April 15, 2014 to approve these changes to the ROTC Committee description in the University Senate manual.

#### **Point for Discussion**

Because the ROTC programs have been enveloped into the college of Business and Public Administration (coBPA), members have determined that there may be significant duplication of effort between this committee and those in place within the coBPA with regard to accreditation, curriculum review, program oversight, and approval of cadre. Given this duplication of effort, we ask that during the next calendar year the Senate Committee on Committees review the necessity of maintaining the ROTC committee. We also ask that the Senate Committee on Committees make recommendations as to 1) whether the ROTC committee should continue to function as a standing University Senate committee or 2) whether the ROTC committee should be disbanded.

No other business was accomplished during this academic year.

Respectively submitted,

Thad A. Rosenberger  
Chair, Senate ROTC committee
