 RE: Annual Student Academic Standards Committee Report to Senate

The Student Academic Standards Committee, an appeals board, meets upon demand. The Committee functions within the guidelines approved by the Senate on February 3, 1983, as revised in April, 1985, and again as revised on March 4, 1999. A summary of the year's Probation/Suspension/Dismissal, Reinstatement, Academic Grievance and exceptions to admission standards activities is indicated below.

Because of the confidential nature of the information about the students, the committee keeps no written minutes other than a statement about the action taken with respect to each student seeking reinstatement. When a grade grievance is the issue before the committee, minutes are kept of the entire proceedings.

The committee meets as needed, with the greatest demand usually occurring at a time immediately preceding the beginning of a term.

Fall 2005-Spring/Summer 2006, members held 8 meetings between the dates of September 1, 2005 and August 8, 2006. Fall 2006 to present, members began meeting on October 18, 2006 and have held 4 meetings to date.

Resolution

Whereas: The Governor of North Dakota and the State Board of Higher Education have recommended a 5% average faculty salary increase each year of the next biennium;

Whereas: the North Dakota House has recommended a 4% average faculty salary increase each year of the next biennium;

Whereas: the state has enjoyed economic prosperity and a record budgetary surplus;

Whereas the Roundtable report was adopted as the blueprint of the North Dakota University System for the 21st Century;

Whereas: the University System has done everything asked of ^{it} them by the Roundtable Report;

Whereas the state of North Dakota has continually fallen short of meeting its obligations of the spirit of the Roundtable Report;

Be it Resolved that the University of North Dakota Senate strongly endorses the budgetary recommendations of the SBHE and the Governor of the State of North Dakota regarding faculty salaries;

Be it further resolved that we recommend that the North Dakota ^{Senate} ~~House~~ override the recommendation of the ~~education and environment subcommittee of the House~~ ^{N.A.} Appropriations Committee and restore the faculty raise to 5% each year of the biennium and maintain full funding of the health insurance.
