Hon. Burton Wilcox,
Public Welfare Board of North Dakota,
Bismarck, North Dakota.

Dear Burton:

As you know from my letter of February 3rd, I referred your outline of a plan for the rehabilitation of the Fort Berthold Indians, to the Commissioner of Indian Affairs, for his consideration.

Attached herewith is a copy of his reply, which I feel sure will be of interest to you. I hope you will follow the suggestion in the last paragraph to send a copy of your proposal to the Regional Director of the Indian Service at Billings.

It is certainly good of you to put the time and thought you have, on the sad situation of many of the Indians in our state, who badly need someone to befriend them. I, too, am anxious to do all I possibly can to see that the resettlement program better their living conditions and economy.

With kindest regards, I

am

Sincerely
