## 4.

The following announcements were made:

- a. Mr. Jackson called attention to the Curriculum Committee addendum. There were corrections to the deleted course section (instead of deletions, two courses were new and one was a course change.)
- b. Mr. Jackson introduced the new Vice President of Finance and Operations, Alice Brekke.

- c. Mr. Jackson introduced the new bookstore manager, Derek Schulman. Mr. Schulman indicated that he wants to know of any bookstore issues so they can be addressed.
- d. President Kelley acknowledged Jon Jackson's year of service as chair of senate and presented him with a plaque.
- e. Mr. Jackson announced that he will present the nickname resolution passed at the April Senate meeting to the State Board of Higher Education at their next meeting.
- f. Mr. Jackson also indicated that the Higher Education bill was passed by the N.D. legislators. The legislative session went well for higher education.

5.

Mr. Jackson asked for corrections or additions to the minutes of the April 2, 2009, meeting. Hearing none, the minutes were approved as distributed.

6.

The question period was opened at 4:20 p.m.

Mr. Perkins asked, in light of the fact that there is an obesity problem in our country, why unhealthy food is served and promoted at UND. He also questioned why a large display of sugar soda is set up in the Memorial Union. Mr. Fincke indicated that the Student Senate has surveyed the students regarding food desires and the results will be provided to Dining Services. Mr. Munski spoke to the high quality of the dining services offerings at UND. Mr. Grandstrand indicated that there is a segment of the student population that request and want the less healthy foods.

The question period closed at 4:25 p.m.

7.

The annual report of the Senate Scholarly Activities Committee was presented. It was moved by Ms. DeMers and seconded by Ms. Smart to accept the report. There was no discussion and the report was approved.

8.

The May, 2009 candidates for degrees were presented. It was moved by Mr. Haskins and seconded by Ms. Elsinga to approve the candidates. The motion passed unanimously.

9.

The report from the Curriculum Committee and an addendum were reviewed. Mr. Haskins moved and Mr. Munski seconded, to approve the entire report. Ms. Potvin asked about two new courses: EDL 210 and 211. She was concerned about duplication with the new Leadership minor. Because she has not heard from EHD on the courses, she moved to exclude EDL 210 and 211 from consideration. Mr. Hoffmann seconded the motion. Ms. Healy indicated the courses already exist as EHD (special topics) and this is only to move them into EDL. Discussion ensued. The motion to exclude EDL 210 and 211 passed with a vote of 30 for, 8 against and 7 abstentions. The motion to accept the entire report passed unanimously.

10.

Ms. Goodwin, chair of the Senate Committee on Committees, presented the Senate committee election results. It was moved by Ms. Bass and seconded by Ms. DeMers to approve the election results. The motion passed unanimously.

**FUNCTIONS AND RESPONSIBILITIES**

The purpose of the Senate Scholarly Activities Committee (SSAC) is to stimulate and encourage scholarly activities and develop relevant institutional policies. The membership of the Committee is composed of nine faculty members, two from the College of Arts and Sciences (one from the Division of Fine Arts and Humanities, the other from the Division of Natural Sciences and Social Sciences) and one representative from each of the other colleges; the Vice President for Academic Affairs or designee, and the Vice President for Research or designee. One-third of the faculty members are elected by the University Senate at the April meeting each year.

The Committee assumes the following responsibilities for the University Senate:

- Address general issues of importance to establishing and maintaining strong research and development programs on campus.

- Stimulate interaction between disciplines and take a proactive role to establish centers of excellence at UND.
- Allocate available research funds based on pre-established policies and guidelines.
- Review its own policies in even years.
- Maintain Committee website.

## MEETINGS

The Senate Scholarly Activities Committee met five times in 2008-2009 (one more meeting will be held in May, 2009) for the primary purpose of evaluating UND faculty proposals for New Faculty Scholar, Research and Creative Activity, Travel, and/or Publication awards.

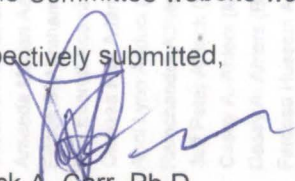

## FUNDS

During the first nine months of the 2008-2009 fiscal year, the Senate Scholarly Activities Committee awarded \$94,265 to 111 faculty members in 44 departments. Awards were made as follows: \$27,611 for New Faculty Scholar awards, \$2,792 for Publication, \$21,944 for Research and Creative Activity, and \$41,918 for Travel (approximately \$24,400 will be awarded for travel in May 2009). The Committee received a supplemental award of \$42,783 from the Vice President for Research and several awards or portions of awards were returned to the Committee; thus, award amounts exceed the Committee's \$57,217 annual budget.

## OTHER ACTIVITIES

1. New Faculty Scholar Awards were given to: Wayne A. Barkhouse (Physics), \$4,000; Jerome P. Delhommelle (Chemistry), \$5,000; Travis W. Heggie (Counseling Psychology and Community Services), \$5,000; Sarah E. Mosher (Modern and Classical Languages and Literatures), \$3,611; Jeremiah J. Neubert (Mechanical Engineering), \$5,000; and Joelle C. Ruthig (Psychology), \$5,000.
2. Professors Patrick A. Carr (Anatomy and Cell Biology) and Frank P. Cuzzo represented the Senate Scholarly Activities Committee in the selection of recipients of the Fellows of the University Award for Departmental Excellence in Research and the UND Foundation Thomas J. Clifford Faculty Achievement Award for Excellence in Research for 2009.
3. An analysis of travel funding requests/awards since Fiscal Year 2003 showed that distribution between travel awards cycles is equitable, and that we continue to have many more requests than available funding. Thus, the Committee will continue to allocate funds equally to the three travel deadline dates.
4. The SSAC Chair was designated as a representative for the University Research Council.
5. The Committee website was updated and maintained by RD&C staff.

Respectively submitted,
