Dear Sen Langer;

Please have sent to me one of those pamphlets pertaining to land acquisition for the Garrison Dam. As you perhaps know, there are several Indian Churches on the Reservation, some of them incorporated bodies, all Indian owned and administered. The Army will be purchasing this land—and I hope will permit the Indian to retain his buildings—but I am not sure of there procedure. I undertand that some of my friends have received such a pamphlet from your office.

Apprediating your efforts in behalf of our people, I remain

Sincerely
