Dear Friends:

This will acknowledge and thank you for your recent letter concerning the naming of the new lake to be created by Garrison Dam.

It has already been decided to name it Lake Thompson but I was glad to have your suggestion as to naming it after one of the Indian Tribes in North Dakota.

I was certainly glad to hear from you and I hope you will continue to drop me a line now and then, whenever you have further comments or suggestions on matters in which you are interested, or if I can be of help to you in any way down here.

With kindest regards and hoping that you are both well and happy, I am

Sincerely,

WL:ju
