Mrs. H. T. Burns, Sr.
Garrison, North Dakota

Dear Mrs. Burns:

This will acknowledge and thank you for your recent letter in which you suggested that the new lake to be created by Garrison Dam be named after one of our Indian Tribes rather than after just one of our citizens.

It was certainly good of you to take the time to let me have your views on this and I was glad to hear from you. However, it is too late as it has already been decided to name it Take Thompson.

Whenever you have further comments or suggestions, do let me hear from you again.

With just every good wish and hoping that you are well and happy, I am

Sincerely,

WL:ju
