Dear Colleague:

I have been requested to call a meeting of the members that feel that a State should have the first right to the water within its boundaries for irrigation and domestic uses.

This meeting will be held in the House Indian Affairs Committee Room in the Capitol, Thursday, March 9, at 4 P. M.

While this question arises in connection with the Missouri River Basin Project, it is, nevertheless, a question that concerns other states as well.

We invite you to attend this meeting.
Be sure to come.

Very respectfully yours,

Wm Lemke
