Garrison Dam

May 25, 1950

Mrs. R. D. Kollman — e
Douglas, North Dakota

Dear Mrs. Kollman:

In the temporary absence of Senator Langer from his office, we are taking the liberty of acknowledging your letter of recent date concerning what you call discrimination in employment in the Garrison Dam project.

We have taken this matter up with General Pick of the Army Engineers and as soon as we have a report from him it will be forwarded to you.

A short while ago the Senator gave a speech on the Brannan Plan over in the Senate and we are enclosing herewith a copy of part of this speech in question and answer form which we feel will help explain this program to you.

We hope you will feel free to write us at any time as the Senator is always glad to hear from you and to have your views and suggestions on important matters.

With kind regards, I am

Sincerely,

(Miss) Irene P. Martin
Secretary to Senator Langer
