Hon. W. R. Beyer, Superintendent
United States Dept. of the Interior
Office of Indian Affairs
Fort Berthold Agency
Elbowoods, North Dakota

Dear Mr. Beyer:

Thank you for your letter of September 2nd giving me your views on S. J. Res. 104. I was indeed glad to hear from you. You may be sure that I will leave nothing undone that I can do to get this legislation through.

As you know, the matter of my seating as a member of the U. S. Senate is not yet settled, and consequently I am greatly handicapped in my work down here. Certainly if this matter were settled once and for all I would be in a better position to serve the people of North Dakota. However, I am doing my best under the circumstances.

With kind personal regards and hoping that you and yours are well, I am

Sincerely,
