Dear Donald:

I have your letter of the 16th this morning, and was very happy to hear from you.

What you say about taking care of these three affiliated tribes at Fort Berthold, is very interesting and is so intriguing that it might work out not only at Fort Berthold, but also at Fort Totten, Belcourt, and Fort Yates, that is the Standing Rock Reservation which has members in both North and South Dakota.

I am taking this matter up directly with those in authority and you will hear from me again shortly.

With kind regards and best wishes to you, I am

Sincerely,
