Honorable William Langer
Senator from the State of North Dakota
Senate Office Building
Washington, D. C.

Dear Senator Langer:

I want to thank you for your telegram advising me that S. 2663 had passed the Senate by a vote of 60 to 30. I presume the bill will be bogged down in the House of Representatives, but even then it will make good propaganda and good agitation on the overall subject of my interest - the development of industries on Indian reservations.

I do hope you'll have the opportunity to visit your jewel bearing plant at Rolla this summer.

Sincerely,

John B. Hart
