Ind. Bureau

May 30, 1947

Hon. George Gillette, Chairman Fort Berthold Indian Corporation Tribal Business Council Beulah, North Dakota

Dear Mr. Gillette:

I am sorry to be so slow in answering your recent letter, but due to the pressure of work here in my office, it has been impossible for me to answer sooner.

It was good of you to give my your viewpoints concerning the abolishment of the Indian bureau. I have been doing everything I can to get this bureau abolished, and if you have any suggestions along this line, please let me hear from you again.

I cannot agree with the stand you take in regard to the Carrison Dam. I am in favor of this project and hope to see it progress favorably.

Please let me hear from you whenever you feel I can be of service.

With kindest regards and best wishes, I

Sincerely.
