U. S. Senator William Langer
Washington D. C.
Dear friend Bill.

I am looking to you for information relating to a Law past by Congress two or three years ago, relating to paying for the moving of our buildings from the River bottoms the Land taken by the Government for the Garrison Dam. It seems this Law was to pay the farmers for the moving of buildings to other lands bought by us which had the Lands taken away from us.

REC'D JAN 31 1955

It seems to me and others

also whom had Their farms
Taken from them The Government
should pay for moving our
buildings to other Lands bought
by us within reasonable distance
and it would only be fair
that such a Law should be
retroactive to the time the
Gov't first commenced taking
Land for the Garrison Farm.

Trusting you can give
me the information I am
seeking.

I remain your friend
