Miss Mary B. Sussex - X
Hope,
North Dakota

Dear Miss Sussex:

This will acknowledge and thank you for your letter of recent date and it was very good of you to write me about the Indians and how the Garrison Dam will effect their property.

I have had several conferences down here with the Indian representatives, the Chief of the Engineers of the Army and of various private citizens of North Dakota. I have been doing, and will continue to do, everything I possibly can to see that the Indians get a square deal.

I thought you would be interested in seeing a copy of S. J. Res. 209 which I introduced in behalf of the Indians.

Please feel free to write me whenever matters come up that you think I ought to know about, or feel I can be of the least assistance in any way.

With every good wish, I am

Sincerely,

WL/tff
