ERRATUM

In the July issue of the North Dakota Law Review appeared an article entitled "Land Purchase Contracts in North Dakota." This article is a contributing study in a North Central Regional research project NC - 15, financial support for which was generously given by the Farm Foundation, Chicago, Illinois. It is one of several articles dealing with agricultural law which have recently appeared in the North Dakota Law Review. These are the initial projects in the proposed Agricultural Law Research Program at the University of North Dakota Law School in which the Law School and the Department of Agricultural Economics of the North Dakota Agricultural College will engage in cooperative studies of various legal problems of farming.
