## EDITORIAL STATEMENT

As this issue contains the Outlines of the Lectures on Taxation to be given by Professor Henry Rottschaefer, of the University of Minnesota, and the texts of "Standards of Title Examinations," by Mr. W. F. Burnett, and "Attorneys Fees," by Mr. H. G. Nilles, which will be used by them in their discussions in the sectional meetings at our forthcoming convention, all members are requested to bring their copies of this issue.

The letter published under the heading "Monographs on Taxation", speaks for itself.

Many members have inquired as to when the laws enacted during the last session of the legislature will be available. Your editorial committee has been informed that the preparation of the index is what has delayed this publication, but that it should be available within the next two or three weeks.

In the last issue we announced a book by the title "Who's Who—Women Lawyers". We have since been informed that the title of this book has been changed to "Who's Who—Digest of Women Lawyers and Judges".

We wish to take this means of congratulating the candidates who were successful in passing the recent examinations and who were admitted to our Bar on July 11. They are as follows:
