CODE COMMISSION

Now that Senate Bill 88 will become law on the first day of July, 1939, it becomes the duty of the Supreme Court to appoint the Code Revision Commission consisting of not more than three persons, learned in the law.

This will be a very important step to be considered by the Supreme Court, namely to select the right persons for the job. If any lawyer in the State has persons in mind who would be able and willing to do this work I believe it would be well to submit their names to the Court for investigation.

May I at this time call attention that the Annual Meeting of the Bar Association will be held sometime the latter part of July. I wish that every lawyer in the State would arrange his business so that he can attend the meeting. I know that the Jamestown Bar is making every effort to make the meeting interesting and worth while. Let us all be there and make it a real Bar Association meeting.

ALOYS WARTNER, SR., President.
