NO. 7.

PRESIDENT URGES ATTENDANCE AT ANNUAL MEETING.

The Executive Committee and Officers of the State Bar Association do most earnestly ask that all lawyers who can possibly spare the time attend the meeting at Devils Lake on July 15 and 16.

Your Association can be made of greater value if the lawyers throughout the state attend the annual meetings, and air out their differences, if they have any, at such meetings.

Furthermore, the Association and its entire membership can gain much of value by frank and full discussion of such constructive matters as the individual lawyer can present for discussion and thought. It is only by an united front that a betterment of our status as lawyers can be hoped for.

Nothing is ever gained by tearing down, or by silent "grouch". The history of our profession, and society at large, discloses that it is only through due deliberation and the united action of the majority that advancements have been accomplished.

There are many things that lawyers can do for the benefit of the citizens of this state, and every member should individually give any progressive movement his own personal thought, and be willing to share such conclusions as he arrives at with his fellow-lawyers. It is only thus that we can advance the best interests of our citizens and our association.

You are, therefore, urged to attend the Devils Lake meeting on July 15 and 16.

L. J. PALDA, JR., President.
