## SHALL WE HAVE RECODIFICATION?

Only a few more months and the men and women chosen to represent the people of North Dakota, will meet at the State House in Bismarck, to pass upon laws necessary for the welfare of the people of North Dakota. At the State Bar Meeting at Devils Lake it was proposed that the members of the North Dakota State Bar Association work for an Act providing for the recodification of the Laws of the State of North Dakota.

May I now urge upon all the members of the Bar to contact the various members of the Legislature and urge them to work for the passage of an Act providing for the recodification of the laws of the State. Codification of our laws will not only benefit the lawyers but every citizen of the State and especially our courts, our municipalities, in fact each and every department of our government will be benefited by a codification of our laws. Let us all get busy and work for this important project.
