### AMERICANIZATION AND CITIZENSHIP

John Knauf as Chairman of the Americanization and Citizenship Committee of our Association is doing a wonderful job. He has already favorably contacted churches, schools, service clubs and priests and ministers as well as educators of all degrees in every city and town in the state. He has received assurance from all that they will devote their time and energy to teaching patriotism and love of the Constitution to their members, their people and their friends. But they need help, and Mr. Knauf has advised them to call upon the members of the legal profession in their respective communities and help would be forthcoming. I wish lawyers would make it a point to contact these agencies and people, and contact each other, to the end that the necessary assistance and cooperation be given. Much work will be done this year to remind the people of this country of the benefits and advantages of Constitutional Government and the necessity of supporting the Constitution. The 150th Anniversary is to be a memorable event and celebration. I earnestly urge the lawyers of North Dakota to do their part.

C. J. MURPHY, Pres.
