### WE HAVE A NEW COMMITTEE

The following appeared in a circular letter sent out by the Chairman of one of the Bar Association Committees recently: "It is proposed to have a meeting of the Uniform Law Committee and of the Citizens Hip Committee. We expect Honorable Aubrey Lawrence, the President of our State Association, to be present."

A Minot attorney took this seriously, and replied: "Reserve two places, and please advise address of Chairman of the Citizens Hip Committee. This weather makes me want to form more than a passing acquaintance with him."

### WE SAW IT, ALSO

"When a person without the exercise of any care or caution stands with his head and shoulders in a closed car standing upon a public highway on a dark night without lights, and while thus standing with his head and shoulders in the car and legs and feet extending into the street he is struck and injured by a car approaching from the rear he is negligent as a matter of law and cannot recover for such injury."

### AMERICAN BAR ASSOCIATION

The Executive Committee of the American Bar Association has decided upon July 25, 26 and 27 as the dates for holding the 1928 meeting of the Association. This will be the Semi-Centennial meeting, and an unusually interesting program is in the making. Seattle, Washington, will be the host city. The Commissioners on Uniform State Laws will meet at the same place on July 16th to 23rd.

### COOPERATION WITH SOUTH DAKOTA

The State Bar Association of South Dakota advised a few days ago that it desired to cooperate with the North Dakota Association in arranging the program for the 1928 annual meetings. This was done last year to the mutual advantage of the two associations.
